Good Morning Year 1

Here are your activities for today

**P.E.:** <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

**Reading:** Read I Love Goldfish at this link  
<https://www.getepic.com/app/read/36161>

**Phonics:** Today you will be revising the alternative spellings for igh. Read the text below

### A Right Mess

The twins' bedroom was a right mess! Mum had tried everything. Being cross! Being kind! But it just did not help. The twins still did not tidy their room.

Then Mum had an idea. "I think I'll write a list of things the twins must pick up, and then we can play a game of hide and seek. The twins must find the things and put them in a box. Their room will be tidy!"

This is the list Mum had:

A crisp bag  
A white sock  
A tie with a stripe  
A cap  
A plastic knife  
A bright red kite

"We like this game of hide and seek," said the twins. In no time at all the room was quite tidy and Mum was happy.

Then the twins had an idea. "Mum, we'd like to fly this kite on the green."

"All right," said Mum, "but you must hold the string tight."

On the green there was a light breeze and the kite went up, up, up, high in the sky. Then suddenly it came down, down, down...

CRASH! It fell into the duck pond!

The kite was fine, but Mum said, "I think it's time for tea. Let's go home."

Make a list of all the words with the 'igh' sound, then write a sentence for each spelling

igh	ie	i-e	y	i
right	tried	white	fly	tidy

### English:

Using your research from yesterday create a poster with the information. Have a look at mine to give yourself some ideas.

## The Perfect Pet Siberian Cat

**What does a Siberian cat look like?**  
The Siberian cat is a strong a powerfully built cat. They have well rounded paws and an equally large full tail. They have large ears and eyes as well as broad foreheads. Their large round eyes give an overall sweet expression to their face.

**Are Siberian Cat hard to look after?**  
Even though Siberian cats have thick coats, grooming is easier than with most longer-haired cats. Siberian coats don't tend to mat or tangle too quickly, so grooming once or twice a week is enough to keep it healthy.

**How long do Siberian cat live?**  
They can live from about 10 to 18 years.

**If you are looking for an affectionate playful cat with great personality, a Siberian cat might be perfect cat for you.** They are friendly with other pets and fond of people.

**What do Siberian cats eat?**  
Cats are natural carnivores and require a diet of meat, which they will normally get in the wild through small prey such as birds, insects and lizards. Most cat diets possess things that have added by carb-based ingredients such as grains, corn and other unhealthy additives.

**Are Siberian Cats hypoallergenic?**  
Siberian Cats are hypoallergenic. 75% of people allergic to cats have no reaction to a Siberian.

**Can you leave a Siberian cat alone?**  
Because Siberian cat are such a bond sociable animals, they suffer when left alone for long periods. If you don't spend much time at home you may wish to consider a more independent breed or adopting another pet as the wife here.

**Mathematics:** Log into Mathletics and complete the assigned tasks **OR** copy and complete the task below

Anthea is 8 years old and Alice is 7 years old.

What is the total of their ages?

- a) Which number sentence represents this problem?

Total = 8 - 7

Total = 8 + 7

b) Solution

Total =

Houman scored 10 goals in one game and 8 goals in another.

How many goals did he score altogether?

a) Which number sentence represents this problem?

Goals =  $10 - 8$

Goals =  $10 + 8$

b) Solution

Goals =

During a week there were 6 sunny days.

How many days were not sunny?

a) Which number sentence represents this problem?

Not sunny =  $7 - 6$

Not sunny =  $7 + 6$

b) Solution

Not sunny =

A circus has 4 clowns and 3 acrobats.

How many more clowns are there than acrobats?

a) Which number sentence represents this problem?

More clowns =  $4 - 3$

More clowns =  $4 + 3$

b) Solution

More clowns =

A circus has 9 clowns and 2 acrobats.

How many performers are there altogether?

a) Which number sentence represents this problem?

Performers =  $9 - 2$

Performers =  $9 + 2$

b) Solution

Performers =

## Topic:

### ZAKAH

Zakah is a compulsory charity given to the poor and needy. It is the fourth pillar of Islam. The word Zakah means 'purification'. It is a duty upon every Muslim to give Zakah every year as an act of worship and obedience to Allah.

### CHARITY

Charity is a very important aspect of Islam. We have beautiful examples from the lifetime of the Prophet (Peace Be Upon Him) of helping those in need. There was a time when the closest companion of the Prophet, Abubakr (may Allah be pleased with him) donated every single penny of his wealth to help the poor! (At-Tirmidhi no.3675)

During the month of Ramadan Muslims try to give more in charity to get extra rewards from Allah.

See if you can find the way from the hand to the heart!

### ZAKAH IS 2.5%

The amount of Zakah a Muslim must give away is 2.5% of their savings in money, gold and silver. Let's practice giving Zakah!

Ask your parents for 100 sweets (that's 100 individual little sweets, not 100 packets of sweets!)

Now imagine these sweets are your savings in money. Put two and a half sweets aside as your Zakah payment.

Now imagine someone in your family is extremely poor and give them the two and half sweets or you can share them out to more than one person.

This is exactly what Allah wants adults to do with their money!

### OTHER ACTS OF CHARITY

Giving money is not the only form of charity. Read through the sentences below and put a tick next to the ones you think are acts of charity (sadaqah):

- Throwing your rubbish on the floor after eating a snack
- Helping your family take out the recycling bin
- Smiling at your neighbours when you leave for school in the morning
- Leaving your toys on the floor
- Not saying As Salaam Alaykum to your friends and family
- Taking your elderly relative some flowers
- Putting money in the sadaqah box in the masjid
- Not listening to your teacher at school
- Planting a tree
- Hurting someone's feelings at school
- Offering to help your friend with their homework if they are struggling
- Not sharing your food or your toys
- Making a thank you card for your family or your teacher
- Feeding the birds in your garden
- Bullying your classmate
