

Monday 1st June

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Monday 1st June

Reading: ...

Good morning/afternoon, Year 5!

David and I hope you've had a good and relaxing half-term holiday. Did anybody manage to get out to do some exercise when the weather was nice?

We'll put activities on the school website every day like before. If something doesn't make sense or isn't working, remember to just try your best. You're all doing a brilliant job!

Date

Reading: Collecting a Thayne Egg

- Read [Collecting a Thayne Egg](#) and answer the questions in your English workbook.
- Remember, present your work as if it was done in the classroom.
- Write out each answer in full sentences and concentrate on your handwriting.

Additional Reading: [Read Theory](#) for around 30 minutes

Date

Writing: Writing a Recount

- Open [BBC Daily Lessons](#)
- It explains what you need to know about writing a recount
- Watch the 2 videos that will help
- Complete the activities.
 - For Activity 3, you could write a recount of what's happened in Year 5 so far or create a similar recount to the example Little Red Riding Hood

Date

Maths: Mathletics

- Log into <https://login.mathletics.com/> and complete the direction and position activities assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

OR

- Click [here](#) if you **can't** access Mathletics - or want more work to do!

Put the date and title in your maths book. Write the starting coordinates and the finishing coordinates. The answers will be attached to tomorrow's work.

Date

Geography: Glaciers

Go on <https://www.dkfindout.com/uk/earth/glaciers/>

- What is a glacier?
- How many different types of glaciers are there?
- In your own words, write how glaciers change the land.
- Today, why are most glaciers under threat?

Date

Activity: French

1. Go to the [Language Angles](#) website
2. Click Login
3. Then select Login Pupil Games

Username: frenchgames

Password: frenchgames

4. Choose the games that you want to play. Just write the date and title in your book. You do not need to write anything else for French in your books today.

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none">• Genre Focus: Setting Description
	Maths	<ul style="list-style-type: none">• Transformations• Converting• Volume• Calculating with decimals• 2-D and 3-D shape
	Foundation	Science: <ul style="list-style-type: none">• Unit 1: rock cycle• Unit 2: electricity Humanities: <ul style="list-style-type: none">• Middle East Spanish: <ul style="list-style-type: none">• To learn the alphabet and numbers 1-10 in Spanish Creative: <ul style="list-style-type: none">• To identify a range of different textures and use a pencil to recreate them

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website** until **20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
