

Wednesday 1st July

Hello Year 6,

We hope you have enjoyed the activities that have been getting you to think about your move to your new secondary school.

If you haven't done so already, a quick reminder to visit your secondary school website and take a virtual tour of the building. These are videos specially made to help you get to know your way around the school.

Lizzie, Chris & Alison

Try these two logical thinking puzzles.

2 fathers and 2 sons go into a sweet shop . They each spent 50p on sweets but the total only came to £1.50. Why ?

A girl has the same number of brothers and sisters. But each brother has only half as many brothers as sisters. How many brothers and sisters in the family ?

Answers on last slide.

Finlay's mother vanished two years ago. And ever since then his stutter has become almost unbearable. Bullied at school and ignored by his father, the only way to get out the words which are bouncing around in his head is by writing long letters to his mother which he knows she will never read, and by playing Scrabble online. But when Finlay is befriended by an online Scrabble player called Alex, everything changes. Could it be his mother secretly trying to contact him? Or is there something more sinister going on?

Spelling.

The screenshot shows the Spellingframe website interface. At the top left is the logo "Spellingframe" and at the top right are the links "REGISTER / LOGIN". Below the logo is a navigation bar with links for "Home", "About", "Contact", and "Custom Lists". A central text box contains the instruction: "Choose a spelling rule then choose to either practise the spelling or take a test with those words. All words are read aloud (make sure your sound is turned up) and provided within a sentence for context." Below this are two buttons: "Create Custom Word List" and "Enter Word List Code". At the bottom, there are four categories of activities: "Year 1", "Year 2", "Year 3 and 4", and "Year 5 and 6".

Extension

The government has created the Oak National Academy to provide extra 'lessons' for children while you are at home. Each day there are maths, English and foundation lessons. The lessons are sequential, so it is important that you do them in order.

We want you to first complete the work that we have set you. If you decide you would like an extension, then click on the link below to access their lessons.

There were only 3 people - a grandfather, father and grandson. Within these three men 2 are fathers and 2 are sons. Get it? Ouchh !

There were 4 sisters and 3 brothers. Each sister can see 3 brothers and 3 sisters. Each brother can see 2 brothers and 4 sisters. Easy !!!!
