PSHE: Mindfulness

Listen carefully with your eyes closed to any sounds you can hear. After one minute, open your eyes and write down everything you heard.

Close your eyes and ask a partner to pass you an object that you can hold in your hands.

Touch and turn the object, describing each aspect in detail to your partner and then swap places.

Lie on your back outside and close your eyes so you can use all of your senses except for sight.

Notice the feel of the air, the feel of the ground, the sounds that surround you and any smells that are present.

When you are eating, slow the process right down and try to activate all your senses. Look carefully at your food before you eat it.

What does it look like? Bring it closer so you can smell it. What does it smell like?

As you place it in your mouth, be aware of the texture of the food and how it feels.

What does it taste like? Does the taste come in successive waves or all at once? Can you recognise the individual ingredients?

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...
