

# Wednesday 3rd June

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Wednesday 3rd June

Reading: ...

#June3WorldBicycleDay

Good morning/afternoon, Year 5!

Today is World Bicycle Day! If you've got a bike, why not ask your parents if you can go for a bike ride today? Make sure you wear a helmet if you have one!

Remember to take your time when completing the activities. Try your best and ask your family if you get stuck.

From Bradley

# Websites and Activities

Here we will keep an updated list of websites and activities you could be doing, once you've finished the Daily Tasks we've set. Some you will need your login details for, some you won't.

## Online Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily Lessons](#)

## Reading:

- [First News](#): weekly newspaper for children
- [Get Epic](#): online collection of books to read (between 9 am - 4 pm)
- [Read Theory](#): short extracts with comprehension questions

## Maths:

- [Mathletics](#): practice your maths
- [Times Table Rock Stars](#): times table practice (beat the other Year 5 class!)
- [Study Ladder](#): practice maths skills (not just for maths!) (between 8:30 am - 4:30 pm)
- [I See Maths](#): daily lessons for various year groups
- [White Rose](#): maths lessons for different year groups

## Other activities:

- [Joe Wick](#): fitness videos (9:00 am Monday to Friday)
- [DK Find Out!](#): online Encyclopedia
- [Scratch](#): computing/Coding
- [Purple Mash](#): Use for a range of different activities  
Username: y5, Password y5
- [Duolingo](#): learn French
- [Scouts](#): plenty of activities for you to do indoors!
- [Chess](#): learn, practice, play!

# Contents Page

Here we will provide links to the previous days work that we've set, it may be useful to look at previous days if you missed them.

Extra Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily](#)

[Monday 23rd March](#)

[Tuesday 24th March](#)

[Wednesday 25th March](#)

[Thursday 26th March](#)

[Friday 27th March](#)

[Monday 20th April](#)

[Tuesday 21st April](#)

[Wednesday 22nd April](#)

[Thursday 23rd April](#)

[Friday 24th April](#)

[Monday 4th May](#)

[Tuesday 5th May](#)

[Wednesday 6th May](#)

[Thursday 7th May](#)

Friday: Bank Holiday

[Monday 18th May](#)

[Tuesday 19th May](#)

[Wednesday 20th May](#)

[Thursday 21st May](#)

[Friday 22nd May](#)

[Monday 30th March](#)

[Tuesday 31st March](#)

[Wednesday 1st April](#)

[Thursday 2nd April](#)

[Friday 3rd April](#)

[Monday 27th April](#)

[Tuesday 28th April](#)

[Wednesday 29th April](#)

[Thursday 30th April](#)

[Friday 1st May](#)

[Monday 11th May](#)

[Tuesday 12th May](#)

[Wednesday 13th May](#)

[Thursday 14th May](#)

[Friday 15th May](#)

[Monday 1st June](#)

[Tuesday 2nd June](#)

Wednesday 3rd June

Thursday 4th June

Friday 5th June

Date

Reading: A Self-made Man

- Read [A Self-made Man](#) and answer the questions in your English workbook.
- Remember, present your work as if it was done in the classroom.
- Write out each answer in full sentences and concentrate on your handwriting.

Additional Reading: [Read Theory](#) for around 30 minutes

# Date

## Writing: Homophones and Paragraphs

- Open this website [BBC Daily Lessons](#)
- It explains how to use homophones and paragraphs in your writing
- Watch the videos and then complete the tasks

# Date

# Maths

Click [here](#) for the answers to yesterday's written work.

- Log into <https://login.mathletics.com/> and complete the angles activities assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

**OR**

- Click [here](#) if you **can't** access Mathletics - or want more work to do!

Put the date and title in your maths book. Write the questions and show your working out. The answers are on the final page. Please don't just copy the answers, as you don't learn this way!

Date

# Science: The Solar System

Look at this page: <https://www.dkfindout.com/uk/space/solar-system/>

- How many planets are in the Solar System?
- What planet is closest to the Sun?
- What is the name of the largest planet?
- Why is Pluto not a planet?
- What is the surface of Mars like?
- How old is the Solar System?

Date

RE: Sikhism

1. Religious festivals often start with an old story. Here is the story of how the Guru started the Khalsa over 300 years ago.

Click here: <https://www.bbc.co.uk/programmes/p02mx6vs>

Sikh storyteller and teacher, Butta Singh, says: *'Being a Khalsa Sikh is a choice and once you've made that choice you've made a commitment. And that commitment is to love God with all your heart and if need be sacrifice whatever you have for God.'*

1. Sacrifice is giving up something special for another thing that is even more important. What did the people in the story sacrifice? Why?
2. What do Sikhs sacrifice today, for their religion? Give 3 examples.
3. Can you write an example of a time when you gave something up for a good reason?

# Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

- [https://www.youtube.com/watch?v=9uw9ug\\_g-gM&list=PLyCLOPd4VxBszBLWgWMpt9kb5sKDXNX6M&index=3](https://www.youtube.com/watch?v=9uw9ug_g-gM&list=PLyCLOPd4VxBszBLWgWMpt9kb5sKDXNX6M&index=3)
- Join Joe Wick LIVE everyday at 9:00 am on YouTube: [click here](#)

# Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra 'lessons' for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

**We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).**

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none"><li>• Genre Focus: Setting Description</li></ul>
	Maths	<ul style="list-style-type: none"><li>• Transformations</li><li>• Converting</li><li>• Volume</li><li>• Calculating with decimals</li><li>• 2-D and 3-D shape</li></ul>
	Foundation	Science: <ul style="list-style-type: none"><li>• Unit 1: rock cycle</li><li>• Unit 2: electricity</li></ul> Humanities: <ul style="list-style-type: none"><li>• Middle East</li></ul> Spanish: <ul style="list-style-type: none"><li>• To learn the alphabet and numbers 1-10 in Spanish</li></ul> Creative: <ul style="list-style-type: none"><li>• To identify a range of different textures and use a pencil to recreate them</li></ul>

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

# Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Click here for the link: [BBC Bitesize Daily Lessons](#)

The screenshot shows the BBC Bitesize Daily Lessons website interface for Year 5/P6 lessons. The header includes the BBC logo, the text 'Year 5/ P6 lessons', and the dates 'Monday 20 April - Friday 24 April'. Below the header is a table with five columns representing the days of the week (Monday to Friday) and three rows representing different subjects: English, Maths, and History/Geography/Science/Music/Wellbeing. Each cell in the table contains a brief description of the lesson for that day and subject.

Monday	Tuesday	Wednesday	Thursday	Friday
<b>English</b> Understanding similes and metaphors	<b>English</b> Understanding and using alliteration	<b>English</b> Writing a newspaper report	<b>English</b> To understand expanded noun phrases	<b>English</b> Reading lesson: To Be a Cat by Matt Haig
<b>Maths</b> Identify and position negative numbers on a number line	<b>Maths</b> Add and subtract numbers with more than 4 digit numbers using	<b>Maths</b> Multistep problems, including estimating and rounding	<b>Maths</b> Multiples and factors	<b>Maths</b> Challenge of the week
<b>History</b> Who were the Ancient Egyptians?	<b>Geography</b> Introduction to settlements	<b>Science</b> The solar system	<b>Music</b> Singing with feeling	<b>Wellbeing</b> Teamwork

# Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website** until **20<sup>th</sup> July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [\*\*ChessKid for Parents and Carers leaflet\*\*](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[\*\*Click here\*\*](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
