The screenshot shows a digital game interface on a light blue background with a sky and clouds theme. At the top left, there is a yellow button with a left-pointing arrow and the text "Back". In the center, the instruction "Drag to swap words between the sentence and word bank. Can you make a new sentence?" is displayed. Below the instruction, there are two rows of red rectangular buttons containing the words: "Fred", "has", "spent", "lots" in the first row, and "of", "cash", "this", "year" in the second row. At the bottom, there is a dark grey "Word Bank" container with four orange buttons containing the words "Gretel", "lost", "lent", and "bricks". To the left of the word bank is a grey circular button with the text "Reset Words". To the right of the word bank is a small red pile of bricks. The entire interface is set against a light blue background with a brown ground line at the bottom.
