

## Reception homeworking tasks

Friday 3<sup>rd</sup> July 2020

Hello everyone, we hope you are all well and safe. Enjoy today's activities. Kimberley and Monica ☺

Today you will order objects by size using biggest and smallest.

You will need some of your favourite toys.

Which one is the biggest? Which one is the smallest?

Can you put them all in order from biggest to smallest?

Tidy away your toys and get some new objects from around your house.

Which one is the biggest? Which one is the smallest?

Can you put them all in order from biggest to smallest?

**The daily mile:** Keep yourselves active during lockdown with some fun family challenges. <https://thedailymile.co.uk/at-home/>

**Food, a fact of life:** Learn some fun facts about food and enjoy some tasty recipes! There are plenty of activities to keep children busy and engaged at home. <https://www.foodafactoflife.org.uk/3-5-years/>

**10 facts about honey bees:** Read some fun facts with your child and talk to them about what they have learnt. What else would you like to find out? Help your child to learn more about honey bees. Can you draw or make a bee at home? Perhaps you could write some words or sentences about bees.
