

# Friday 3rd July

Hello Year 6,

We hope you are enjoying your poetry lessons and also the 'Dance On Demand' lessons. Even if the dance lessons are too tricky for you, it is fascinating to see how professional dancers break down a short dance into a sequence of smaller moves.

You should have all completed your virtual tours of your new schools. Make sure you have also finished last week's transition booklet.

Have a good weekend.

## WHAT SHOULD I READ NEXT?

epic!

[Log-in](#)

Ade loves living at the top of a tower block. From his window, he feels like he can see the whole world stretching out beneath him. His mum doesn't really like looking outside – but it's going outside that she hates. She's happier sleeping all day inside their tower, where it's safe. But one day, other tower blocks on the estate start falling down around them and strange, menacing plants begin to appear. Now their tower isn't safe anymore. Ade and his mum are trapped and there's no way out .

# Spelling.

The screenshot shows the Spellingframe website interface. At the top left is the logo "Spellingframe" and at the top right are the links "REGISTER / LOGIN". Below the logo is a navigation bar with links for "Home", "About", "Contact", and "Custom Lists". A central text box contains the instruction: "Choose a spelling rule then choose to either practise the spelling or take a test with those words. All words are read aloud (make sure your sound is turned up) and provided within a sentence for context." Below this are two buttons: "Create Custom Word List" and "Enter Word List Code". At the bottom, there are four categories of activities: "Year 1", "Year 2", "Year 3 and 4", and "Year 5 and 6".

# Extension

The government has created the Oak National Academy to provide extra 'lessons' for children while you are at home. Each day there are maths, English and foundation lessons. The lessons are sequential, so it is important that you do them in order.

We want you to first complete the work that we have set you. If you decide you would like an extension, then click on the link below to access their lessons.

# Answers

In a year there are 12 months. 7 months have 31 days. How many months have 28 days?

They all do !

You are a cyclist in a cross-country race. Just before the crossing finish line you overtake the person in second place! What place did you finish in?

Second Place. If you pass the person in second, you take second place, and they become third.
