Draw the lifecycle of a butterfly

You do **not** have to print this out. You can just draw 4 circle and then some arrows. Below is mainly to help you to see what it should look like .

Sing the Caterpillar song

Sing and learn this song about caterpillars!

Watch the virtual butterfly house

On Chester Zoo's website you can follow the link to watch their virtual butterfly house. Look out for all of the different butterflies. What can you see? How many are there? Can you spot the butterflies of different colours and sizes? Take a look at some of their amazing patterns! What do you notice?

Read A Book

Today's book is The Very Hungry Caterpillar by Eric Carle.

You can find an online version here read by the author himself:

<https://www.youtube.com/watch?v=vkYmvxPOAJI>

You can also choose a different book to read here: www.getepic.com/students . Log in with the code to the left.

If you don't have a laptop or an iPad at home, you can download the 'Epic' app onto your smart phone. Enter your class code then find your name. Click on 'Mailbox' to read the eBooks your teacher has set you.

Phonics

With your grown up draw some pictures of the following things on small pieces of paper:

pin

pick

pan

pot

Once you have done this you can play this game with your grown up:

Your grown up can choose a picture in their mind and can segment (sound out) the word:

p-i-n

p-i-ck

p-a-n

p-o-t

Can you guess which picture your grown up is asking for by blending the sounds (putting them together)?

Bake something with your family and enter Tower Hamlets Bake Off!
