Reception Homeworking Tasks

Hello from Kimberley and Monica, we hope you are well and safe. Here are the tasks for today's learning. Have a good day! ☺

Today you will estimate and measure, just like we did in class with Jack and the Beanstalk!

There are also books to read, Phonics games, PE and a tulip garden to explore – have fun! ☺

You will need:

Toys and objects in your house

Something to measure with, like some pieces of card or balls of tissue.

Place your toy or object down carefully.

Estimate how long you think it is.

Write your number down.

Measure how long your toy really is using your counting circles.

Write your number down.

Try again with a different object.

Tidy your first objects away and get some new objects.

Estimate how long your new object is using your counting circles.

Write your number down.

Do the same again with a different object.

Tidy your objects away and get two pieces of string. You can use paper if you don't have string.

Estimate how long your first piece of string is using your counting circles.

Write your number down.

Measure how long your first piece of string is using your counting circles.

Write your number down.

Do the same again with your second piece of string.

Which piece of string is the longest? Which is the shortest? How do you know?

Talk to your adult

Which object did you prefer estimating and measuring? Why?

Why don't you try estimating and measuring some other things in your house?

Maybe you could find some of the Hungry Caterpillar's food in your house to estimate and measure.

THE VERY HUNGRY CATERPILLAR by Eric Carle

Read a book: www.getepic.com/students Class code: bev0032

If you don't have a laptop or an iPad at home, you can download the 'Epic' app onto your smart phone. Enter your class code then find your name. Click on 'Mailbox' to read the eBooks your teacher has set you. Enjoy! 😊

Idea Store: <https://www.ideastore.co.uk/storytime-online>

Your Idea Store or library may be closed right now but you can do all of your favourite things online! We've got:

- *Story Time for the little ones
- *Art Club Challenge – take up our weekly challenge and get your pictures on the Idea Store website!
- *Loads of family fun activities from your favourite authors and publishers
- *Get the latest e-books and audiobooks for FREE with your Idea Store Card
- *Coming soon – “Silly Squad” Digital Summer Reading Challenge!

Phonics: <https://www.teachyourmonstertoread.com/games/tm1/demo>

Teach Your Monster to Read – fun games to support with letter sounds. The link will take you to the demo; you can access more games by creating an account. All games are free on laptops. There is an app available too if you are accessing from a smart phone but it is at a cost of £2.99.

Read with Phonics Games – a great free alternative for smart phones.

Enjoy some PE: <https://www.afpe.org.uk/thisispe-supporting-parents-to-teach-pe-at-home/>

Short two-minute videos are being posted that show parents (and teachers) free, fun and easy to follow PE activities for the whole family to enjoy together. Try *Lesson 3 – Throwing for accuracy*. Have fun! 😊

Tulip garden: <https://www.timeout.com/news/the-worlds-most-beautiful-tulip-garden-is-closed-for-2020-but-heres-a-glimpse-inside-043020>

Talk to someone at home about the tulips. What colours can you see? What patterns can you see? Which photo is your favourite? Why?
