Count your toys

Why not tidy your toys. You can sort them by colour, shape, size or type. How many toys do you have? How do you know? Can you count them?

Visit Edinburgh Zoo online

Take a trip to Edinburgh Zoo online. The zoo is offering free virtual access where you can watch live animal cams. Watch the panda bears in their enclosure. Talk about what they look like and what they are doing. Can you think of other types of bears? What is the same? What is different?

Sing A Nursery Rhyme

This week's Nursery Rhyme is 'We're Going to the Zoo.' Can you learn the words to the song and sing them with your family? Here is a link below which will take you to the song so you can listen to it and learn the words.

Build a 'Well Being Box'

Spend some time with your family making a 'Well Being Box.' Write a positive message that makes you feel good and put it in the box. Collect something that is important to you and makes you feel happy or relaxed. This could be a special toy, something from a favourite memory, something that helps you to relax, or something that makes you laugh. Place it in the box. Share it with your family. You can add to the box throughout the week and use it to cheer you up.

Read A Book

Today's book is Dear Zoo by Rod Campbell. Follow the link below where you can listen to it being read by the author Rod Campbell. If you have any toy animals you can bring them along to listen to the story. See if you can match the toy animals to those in the story. What noises do the animals make? See if you can make the noises together.

Play a game of cloud spotting

Take a look out of your window. Talk to your grown up about what you can see. Can you see any clouds? What shape are they? What do they look like? Can you see any that look like animals? This is a great way to relax, as well as to learn. You could even make up a story about the things you see. If you want to learn more about clouds you can visit the website below.
