

# Tuesday 5th May 2020

Hello Year 2! We are still enjoying calling you at home and hearing how you are getting on! If you haven't had a call from us yet, don't worry, your turn is coming!

# Writing

This week, we're continuing to learn about the book *The Day the Crayons Quit* by Drew Daywalt.

Listen to *The Day The Crayons Quit* by Drew Daywalt

<https://www.youtube.com/watch?v=489micE6eHU>

Yesterday you wrote a letter from your favourite crayon.

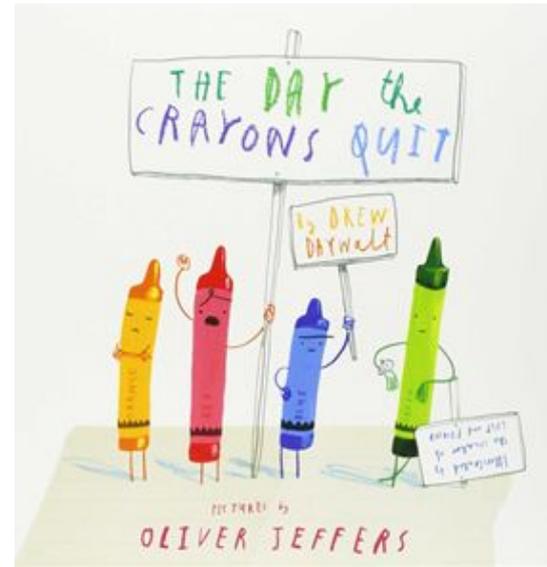

Your success criteria was;

**Tell Duncan why you are writing the letter.**

**Tell Duncan how you were feeling.**

**Tell Duncan what you have been used for.**

**Tell Duncan what you would like to happen.**

# Writing

Today you are going to make your letter even better!

Check the success criteria to make sure you have included all those things in your letter.

If you haven't add them in!

Then, see if you can add in some **extended noun phrases** (an adjective and a noun together) e.g exhausted yellow crayon.

Next, see if you can add in an **adverb** (a word that describes the verb) e.g messily scribbling.

Lastly, can you add a **prepositional phrase** (where or when the noun or verb is) e.g underneath the table

# Maths

Today we are going to practicing what we know about measure.

Log on to your purple mash account using your username and password that was sent to your parents via email. Have a go at these two activities.

Longer shorter

# Music

Today why don't you try to make your own rainmaker instrument at home! These instruments were believed to bring rain by the **Mapuche** people (people who lived in Chile and Argentina)

## You will need:

A snack tube or a long cardboard tube (such as used for kitchen foil)

Paint or felt tip pens

Glitter and sequins (Optional)

Glue

Lentils or rice

## To make:

Paint or colour in your tube and leave to dry. Decorate the tube with sequins and glitter if you would like to.

Fill the tube about 1/4 full of rice or lentils and glue the lid on securely. If you are using a kitchen foil tube, you will need to cut circles of card or paper and fix them very securely over each end.

Tip the tube from side to side to hear the rice fall.

## PHSE

It's really important to look after your mind as well as your body. Harold the giraffe is posting daily ideas for creating routines and the different things that you (with the help of your parents/carers) can do to keep happy and healthy - including looking after your emotional health.
