

# Wednesday 6th May 2020

Happy Wednesday Year 2! We are still enjoying calling you at home and hearing how you are getting on! If you haven't had a call from us yet, don't worry, your turn is coming!

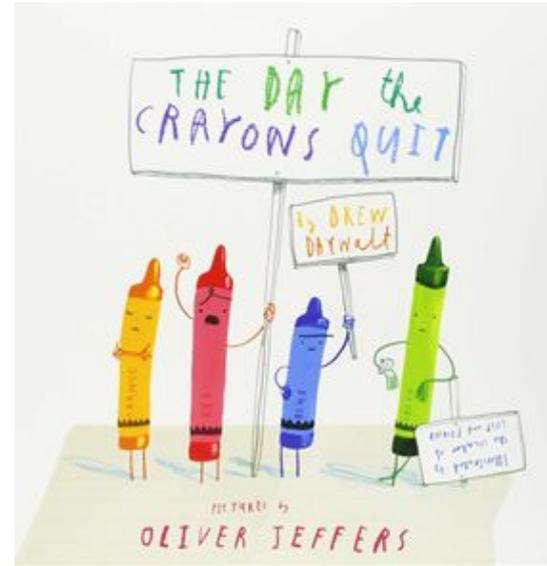

# Writing

This week, we're are continuing to learn about the book *The Day the Crayons Quit* by Drew Daywalt.

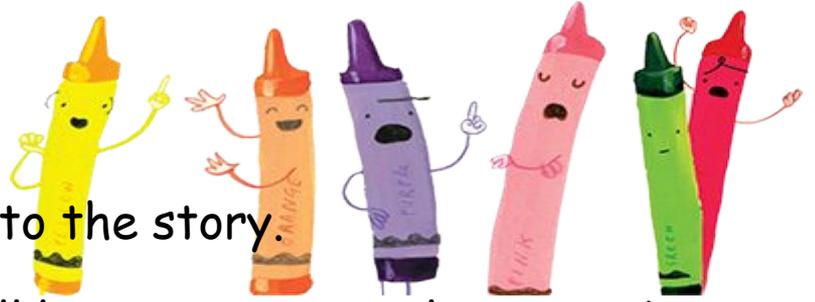

Listen to *The Day The Crayons Quit* by Drew Daywalt

<https://www.youtube.com/watch?v=489micE6eHU>

Yesterday you made your writing even better by checking your mistakes and adding in **extended noun phrases**, **adverbs** and **prepositional language**. Remember it is important to always check your work to make sure its the best it can be!

## Writing

Today you are going to write your own ending to the story.

In *The Day the Crayons Quit*, Duncan mixes all his crayons together to make a really amazing colourful picture.

Can you think of a different ending or maybe just change it slightly?

Have a go at writing a new ending for the story.

Use your imagination to think what could happen? Maybe the crayons all decide to run away or maybe he decides to share the colours with his friends. It's up to you!

Then if you would like to, why not try creating your own amazing colourful picture.

# Maths

Today you are going to be dividing by **grouping** objects **fairly!**

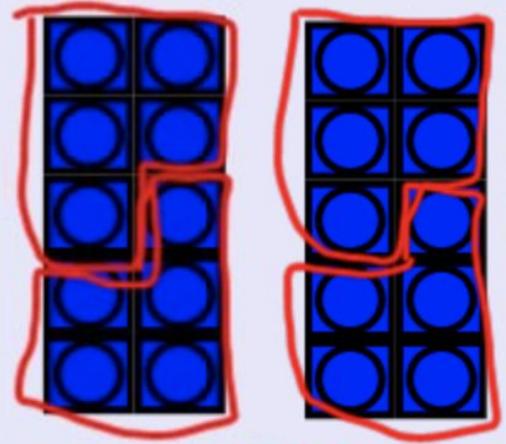

On Monday you shared objects fairly! Both ways help us when we are dividing!

Start by finding objects in your home. You could use lego, pencils or pasta!

Count out the objects, then group your objects into equal groups, that means each group should have the same number of objects!

In your maths books, write out your division sentence. Use the example to help you. **20 has 4 groups of 5, 20 divided by 5 is 4.**

$$20 \div 5 = 4$$

# Science

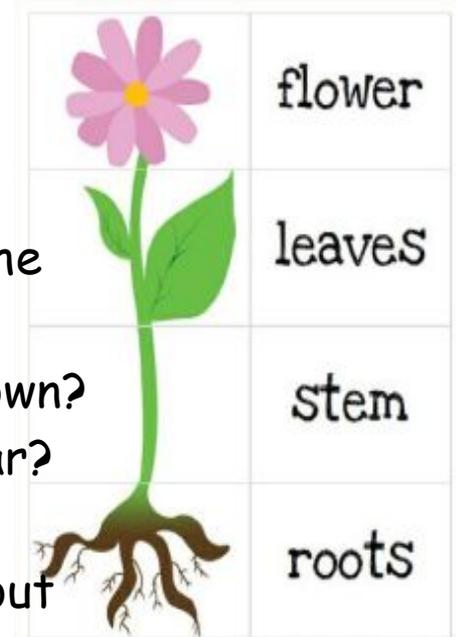

Today we are going to continue to learn more about plants and flowers.

If you planted a seed with your adult, can you write down all the things you have noticed about your plant since you planted it. What have you done to look after the plant? Has the plant grown? Then can you draw a picture of what your plant looks like so far?

If you didn't plant a seed with your adult, watch this video about the different parts that make up a plant,

<https://www.youtube.com/watch?v=p3St51F4kE8>

Then draw a plant and label all the different parts!

If you're beginning to run out of books to read at home, create your own login (for free) at this website! It has different books to read online.

# PE

Joe Wicks PE Workouts - daily at 9am

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

## PHSE

It's really important to look after your mind as well as your body. Harold the giraffe is posting daily ideas for creating routines and the different things that you (with the help of your parents/carers) can do to keep happy and healthy - including looking after your emotional health.
