Hello again Year 4!

I hope you're well and enjoyed carving soap last week. I can't wait to see the pictures of your creations when we return to school!

The task I am setting this week is another practical task using items around the home. We are all familiar with junk modelling; you did tons of it when you were in Reception! Junk modelling is fantastic fun and not just for 4 year olds!

I want you to really explore your creativity this week. Using items from around the house (egg boxes, cereal boxes, milk bottles, butter tubs etc) I would like you to create a sculpture, once again inspired by your chosen artist.

There is also a link to the Tate website which will help give you some ideas. Secure your items with sellotape or glue. You may want to add a layer of PVA soaked paper and paint. If you don't have PVA or paint at home explore ways of decorating your sculpture (thread, fabric, shells, buttons).

Remember to take a picture when you're done. Perhaps keep the photograph of your sculpture next to the sculpture it was inspired by.

Have a good week!

Singing is a really good way of keeping our minds active and lifting our moods.

I challenge you to have a listen and learn a new song every day. Teach your family the song.

Hello Year 4,

We have some **very exciting chess news** !

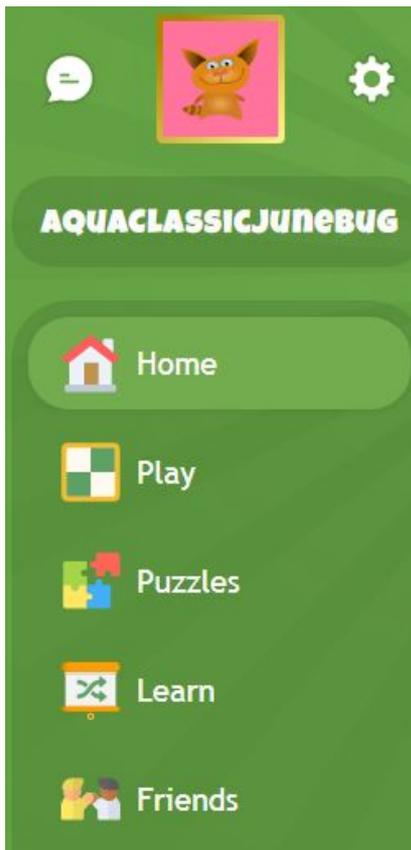

Chess in Schools, (who Andrew works for), have managed to get each of you a **free gold level access to the ChessKid website** until **20th July**.

Chris has been using it and says it is FANTASTIC !

The [**ChessKid for Parents and Carers leaflet**](#) tells your parents all they need to know about ChessKid. Click the link and show it to you parents.

The next few slides will show you how it works and how you can sign up for a ChessKid Smithy Street.

What can I do on ChessKid ?

← These are your settings..The speech bubble is where you may get a message from Chess in Schools or ChessKid.

← This is your user name. It is created when you sign up. Make sure you write it down. **Do not change your user name.**

← Play chess matches against the ChessKid computer or your friends.

← Play chess puzzles against the ChessKid computer or other children.

← Lots of lessons that teach you how to play chess. There are many more lessons to improve your chess skills if you can already play. More details on the next slide.

← Send a friend request to other Smithy Street children. When this is set up you will be able to play matches against each other in ChessKid.

Lessons

Each lesson has a teaching video followed by exercises for you to complete. If you are a beginner, start at the first lesson. If you can already play, scroll down the list and choose where you think is best to start for you. The lessons become more challenging as you work through them.

Videos

Here you can find videos to teach you all aspects of chess for example: openings, endgames, tactics and strategy.

The screenshot shows a green-themed interface for a chess learning application. At the top, it displays 'Your Level: PAWN 3' next to a cartoon chess pawn icon and a progress bar at 0%. To the right, it says 'Next Lesson: Meet the Queen!' with an orange 'START' button. Below this are three main sections: 'Lessons' (with a book icon and the text 'Take interactive chess lessons'), 'Videos' (with a clapperboard icon and the text 'Learn from the best!'), and 'Workouts' (with a brain icon and the text 'Play set positions'). A 'VISION' section with an eye icon and the text 'How's your board vision?' is also visible. Three white arrows point from the text blocks to the 'Lessons', 'Videos', and 'Workouts' sections respectively.

Workouts

Get better at chess by practicing these key positions over and over! Sometimes the goal is to win, sometimes to draw. If you get it right three times in a row, you've probably mastered it!

How do I sign up for chess kid ?

Click on this link and follow the instructions to set up your own personal Smithy Street account.

<https://www.chesskid.com/register/kid/group/GC5FSG>

YOUR PARENTS NEED TO ENTER THEIR E-MAIL ADDRESS DURING THE SIGN-UP. IF THEY DON'T DO THIS YOU WON'T BE ABLE TO CREATE YOUR OWN ACCOUNT.

Your parents will also receive an email from ChessKid inviting them to set up their own account. If they do this, they will be able to recover your username and password if you forget it. They can also learn to play chess- just like you !

MAKE SURE YOU WRITE DOWN YOUR USERNAME AND PASSWORD AND KEEP IT SAFE.

Remember, your account will only work until **20th July. After this date it will be inactivated.**

Make the most of it !

Website or app ?

P.S. You can access ChessKid through their website or by downloading their app. **It is better to use their website** as the app does not have everything on it.
