Spelling Practise.

The screenshot shows the Spellingframe website interface. At the top left is the logo 'Spellingframe' in a white box on an orange background. To the right of the logo are links for 'REGISTER / LOGIN'. Below the logo is a navigation bar with links for 'Home', 'About', 'Contact', and 'Custom Lists'. A central white box contains the text: 'Choose a spelling rule then choose to either practise the spelling or take a test with those words. All words are read aloud (make sure your sound is turned up) and provided within a sentence for context.' Below this are two orange buttons: 'Create Custom Word List' and 'Enter Word List Code'. At the bottom, there are four orange buttons labeled 'Year 1', 'Year 2', 'Year 3 and 4', and 'Year 5 and 6'.

Spellingframe is a great website to practise all those tricky words you are expected to spell by the end of Year 6. It shows you how to learn different types of spellings, gives you the opportunity to practise (including games) and finally gives you a spelling test. [Click here.](#)

Take the first letter of each word and place it at the end of that word. Then read the word backwards. It is the same word that you started with - how cool is that !!!
