

Monday 6th July

For each activity, write the date and title in the appropriate workbook.

For example:

Monday 6th July

Reading: ...

Good morning/afternoon, Year 5!

With only 2 weeks left until the summer holidays (when the daily homework will stop) it's a good time to reflect on how Year 5 went! Whilst we have been at home for a number of weeks now, we still came to school for 7-8 months before that! What were the highlights? Can you think of your favourite moment? Which friends did you really bond with?

From, David

Websites and Activities

Here we will keep an updated list of websites and activities you could be doing, once you've finished the Daily Tasks we've set. Some you will need your login details for, some you won't.

Online Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily Lessons](#)

Reading:

- [First News](#): weekly newspaper for children
- [Get Epic](#): online collection of books to read (between 9 am - 4 pm)
- [Read Theory](#): short extracts with comprehension questions
- [Online Library](#): use your library card online!

Maths:

- [Mathletics](#): practice your maths
- [Times Table Rock Stars](#): times table practice (beat the other Year 5 class!)
- [Study Ladder](#): practice maths skills (not just for maths!) (between 8:30 am - 4:30 pm)
- [I See Maths](#): daily lessons for various year groups
- [White Rose](#): maths lessons for different year groups

Other activities:

- [Joe Wick](#): fitness videos (9:00 am Monday to Friday)
- [DK Find Out!](#): online Encyclopedia
- [Scratch](#): computing/Coding
- [Purple Mash](#):
Username: y5
Password y5
Use for a range of different activities
- [Duolingo](#): learn French
- [Scouts](#): plenty of activities for you to do indoors!
- [Chess](#): learn, practice, play!

Contents Page

Extra Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily](#)

Here we will provide links to the previous days work that we've set, it may be useful to look at previous days if you missed them.

23rd March	20th April	4th May	18th May	8th June	22nd June	Monday 6th July
24th March	21st April	5th May	19th May	9th June	23rd June	Tuesday 7th July
25th March	22nd April	6th May	20th May	10th June	24th June	Wednesday 8th July
26th March	23rd April	7th May	21st May	11th June	25th June	Thursday 9th July
27th March	24th April	Holiday	22nd May	12th June	26th June	Friday 10th July
30th March	27th April	11th May	1st June	15th June	29th June	Monday 13th July
31st March	28th April	12th May	2nd June	16th June	30th June	Tuesday 14th July
1st April	29th April	13th May	3rd June	17th June	1st July	Wednesday 15th July
2nd April	30th April	14th May	4th June	18th June	2nd July	Thursday 16th July
3rd April	1st May	15th May	5th June	19th June	3rd July	Friday 17th July

Date

Reading: Fairtrade

- Open the [extract and questions](#)
- Read the text
- Answer the questions in your writing book (remember the answer must be in the text somewhere...)

Additional Reading: [Read Theory](#)
for around 30 minutes

FAIRTRADE
FOUNDATION

Date

Writing: Zahra

- Watch this video: [Zahra](#)
- We're going to spend today, tomorrow and Wednesday writing it as a narrative.
- Today you will write the first part of the story in these paragraphs:
 - Describe the setting
 - Describe the main character (Zahra)
 - What is she doing and why?

Checklist:

- Show the feelings (not tell) of the character through actions
- Used descriptive features (expanded noun phrases, interesting vocabulary, fronted adverbials, embedded clauses)
- Paragraphs
- Long descriptive sentences and short engaging sentences
- Range of punctuation
- Proofread my work for spelling, punctuation and little mistakes.

Date

Maths: Problem-Solving

- Log into <https://login.mathletics.com/> and complete the problem-solving activities assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

OR

- Click [here](#) if you **can't** access Mathletics - or want more work to do!

Put the date and title in your Maths book. The answers will be attached to tomorrow's work. Some of the questions might be a bit tricky, but please have a go, and try your best!

Date

Geography: Caves

Go on: <https://www.dkfindout.com/uk/earth/caves/>

Answer these questions:

- What is a cave?
- How are most caves formed?
- How have people used caves (today and in the past)?
- What is the difference between stalagmites and stalactites?

Complete the caves quiz: <https://www.dkfindout.com/uk/quiz/earth/test-your-knowledge-caves/>

Date

Activity: French

1. Go to the [Language Angels](#) website
2. Click Login
3. Then select Login Pupil Games

Username: frenchgames

Password: frenchgames

4. Choose the games that you want to play. Just write the date and title in your book. You do not need to write anything else for French in your books today.

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

PE with Joe Wicks

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none">• Genre Focus: Setting Description
	Maths	<ul style="list-style-type: none">• Transformations• Converting• Volume• Calculating with decimals• 2-D and 3-D shape
	Foundation	Science: <ul style="list-style-type: none">• Unit 1: rock cycle• Unit 2: electricity Humanities: <ul style="list-style-type: none">• Middle East Spanish: <ul style="list-style-type: none">• To learn the alphabet and numbers 1-10 in Spanish Creative: <ul style="list-style-type: none">• To identify a range of different textures and use a pencil to recreate them

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Click here for the link: [BBC Bitesize Daily Lessons](#)

The screenshot shows the BBC Bitesize Daily Lessons interface for Year 5/P6 lessons, covering Monday 20 April to Friday 24 April. The interface is organized into a grid with columns for each day of the week and rows for different subjects. The subjects listed are English, Maths, History, Geography, Science, Music, and Wellbeing. Each cell in the grid contains a brief description of the lesson for that day and subject.

Year 5/ P6 lessons				
Monday 20 April - Friday 24 April				
Monday	Tuesday	Wednesday	Thursday	Friday
English Understanding similes and metaphors	English Understanding and using alliteration	English Writing a newspaper report	English To understand expanded noun phrases	English Reading lesson: To Be a Cat by Matt Haig
Maths Identify and position negative numbers on a number line	Maths Add and subtract numbers with more than 4 digit numbers using	Maths Multistep problems, including estimating and rounding	Maths Multiples and factors	Maths Challenge of the week
History Who were the Ancient Egyptians?	Geography Introduction to settlements	Science The solar system	Music Singing with feeling	Wellbeing Teamwork

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website until 20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
