

# Thursday 7th May

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Thursday 7th May

Reading: ...

Hello, Year 5!

Tomorrow is a bank holiday so there won't be any work put up on the school website for you to do. 8th May 2020 is the 75th anniversary of VE Day, when fighting against Nazi Germany in WW2 came to an end. Click [here](#) to read more about VE Day. Make sure to check back again on Monday for more activities as normal.

# Reading: Get Epic

- Go to <https://www.getepic.com/app/> and sign in with your username and password.

Note: you can only use Get Epic during school hours (9 am - 4 pm)

Free choice: choose a text to read that interests you.

- 1) What is the title of the text?
- 2) Summarise in 3 sentences what you read about

Time yourself for about 30 minutes on this activity.

## Writing: Relative Clauses

- Open [Relative Clauses](#)
- Read through the passage and highlight or think of where different relative clauses are used
- We have done this at school...try and remember!
- Complete the task in your writing book, use the text on the first page to find examples that will help you!

**Relative Pronouns**

who    which    that    whom    whose

Relative pronouns link a noun with a relative clause that gives more information about the noun. Relative pronouns are usually located after the noun to make it clear which person, place, or thing is being referred to.

The dog, **that** has the bone, is digging a hole.

## History: Indus Valley

- Look at this page: <https://www.dkfindout.com/uk/history/indus-valley-civilization/>

Answer these questions:

1. Where was the Indus Valley civilisation?
2. What were the people of the Indus Valley good at?
3. What materials did they use for arts and crafts?
4. When was the Indus Valley one of the world's greatest civilisations?
5. What are the some of the reasons people think the Indus Valley civilisation ended?

## Art: Drawing a Pot

Watch this video: [https://www.youtube.com/watch?v=qW1IZYhMW\\_w](https://www.youtube.com/watch?v=qW1IZYhMW_w)

Write the date and title in your book. All you need is a pencil to be able to complete these art activities.

- Practice the art skills in your sketching book at the top of the page first.
- Then draw underneath.

# Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

# Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra 'lessons' for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

**We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).**

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

<b>Year 5</b>	<b>English</b>	<ul style="list-style-type: none"><li>• Genre Focus: Setting Description</li></ul>
	<b>Maths</b>	<ul style="list-style-type: none"><li>• Transformations</li><li>• Converting</li><li>• Volume</li><li>• Calculating with decimals</li><li>• 2-D and 3-D shape</li></ul>
	<b>Foundation</b>	Science: <ul style="list-style-type: none"><li>• Unit 1: rock cycle</li><li>• Unit 2: electricity</li></ul> Humanities: <ul style="list-style-type: none"><li>• Middle East</li></ul> Spanish: <ul style="list-style-type: none"><li>• To learn the alphabet and numbers 1-10 in Spanish</li></ul> Creative: <ul style="list-style-type: none"><li>• To identify a range of different textures and use a pencil to recreate them</li></ul>

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

# Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Click here for the link: [BBC Bitesize Daily Lessons](#)

The screenshot shows the BBC Bitesize Daily Lessons interface for Year 5/P6 lessons, covering Monday 20 April to Friday 24 April. The interface is organized into a grid with columns for each day of the week and rows for different subjects. The subjects listed are English, Maths, History, Geography, Science, Music, and Wellbeing. Each cell in the grid contains a brief description of the lesson for that day and subject.

# Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website until 20<sup>th</sup> July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
