

Nursery homeworking tasks

Tuesday 7th July 2020

Hello everyone, I hope you are all well and safe. Enjoy today's activities. Abi ☺

Today you will sort and count objects.

You will need
some objects and
some bowls.

You will also need
some paper and a
pen.

Sort your objects
carefully into each
bowl so they are not
mixed up.

Count how many
objects you have in
each bowl.

Write the numbers
carefully on a piece
of paper.

How many objects
do you have in
total?

Tidy your objects away.

Get out more objects and bowls.

Sort your objects carefully into each bowl so they are not mixed up.

Count how many objects you have in each bowl.

Write the numbers carefully on a piece of paper.

How many objects do you have in total?

Don't forget to tidy up when you have finished.
☺

Understanding the World – Technology

Activity 1: Complete the lyrics: rhyming activity

- Re-watch the song on the Jessie & Friends cartoon, Episode 1 at www.thinkuknow.co.uk/parents/jessie-and-friends-videos/ and sing along!

- Show your child the 'Complete the lyrics: rhyming activity' worksheet. Help your child to fill in the gaps using the pictures on the sheet to help them.
- If you use different words for the devices you have at home (e.g. tablet instead of 'pad') explain this to your child.
- Make sure your child knows who they can talk to if anything ever worries or upsets them.

Activity 2: Design your own t-shirt.

- If you have a printer – print the blank drawing of Jessie's t-shirt. No printer? Ask your child to draw their own T-shirt with your support.
- Using what you have available (paper, pens, pencils, crafts etc.) ask your child to design a new t-shirt for Jessie. You could even do this on a real t-shirt if you have an old one lying about!
- In the cartoon, Jessie's t-shirt has a picture of a bee. During the song, the bee has a worried, scared or sad face. Ask your child to design Jessie's new t-shirt with a picture that reflects how she feels after her dad has helped her.
- Need inspiration? Ask your child to think about things they know Jessie likes (e.g. Dog, singing, dancing etc).
