Hello Year 3!

Last week you should have watched the video celebrating different religions and types of prayer around the world. You should have also planned your own video to celebrate how you pray/find inner peace.

This week I would like you to use a mobile device to film yourself/your family carrying out prayer according to your religion. Be sure to include what happens before, during and after.

You can then download a free basic editing app (like splice) to edit your footage together.

Don't worry if you're unable to download an app. Try showing your prayer routine in one take. HAVE FUN!

P.E with the 'Body Coach'
