## **Key links**

### **Go on a Treasure Hunt!** <https://hungrylittleminds.campaign.gov.uk/#3>

Plan a treasure hunt game, where your child has to listen to your instructions to find a clue or an object. For example, 'Try looking behind the sofa'. Help your child look for a specific number of objects and count them together – such as 3 cups, 2 pink socks, 5 pens.

### **Do some sorting**

Sorting is great for developing children's maths and language skills. Play sorting games together. Collect a range of different household objects and practise sorting them into different groups, perhaps by size or colour. Once you have finished, count all the objects in each group.

### **Sing the Butterfly song and learn colour names**

Sing and learn this song about butterflies!

### **Dressing for the weather**

<https://www.bbc.co.uk/tiny-happy-people/dressing-for-the-weather/zkt992p>

Ask your child to check the weather and decide what they will wear outside.

You can help them by asking lots of questions. Does it look cold enough for them to need a coat? Is it wet enough for them to wear wellies? What did they wear the last time it was sunny?

Talking in this way will help them expand their communication and understand past, present and future.

## Read A Book

Today's book is The Very Quiet Cricket by Eric Carle.

You can find an online version here:

<https://www.youtube.com/watch?v=YdiGEjz5b0Q>

You can also choose a different book to read here: [www.getepic.com/students](http://www.getepic.com/students) . Log in with the code below. I have also assigned you some books to read to find out more about minibeasts! Take a look!

If you don't have a laptop or an iPad at home, you can download the 'Epic' app onto your smart phone. Enter your class code then find your name. Click on 'Mailbox' to read the eBooks your teacher has set you.

## Phonics

Click this link to segment (sound out) some CVC words.

<https://www.youtube.com/watch?v=MQpw77l-l6M>

Play this game with your grown up:

Toy Talk. Your grown up collects some objects around the house with 3 sounds. This could be a cup (c-u-p), a pen (p-e-n), a book (b-oo-k) and places them into a bag.

"Stand up and glue your feet to the floor". Sing song to the tune of "Old McDonald".

<https://www.youtube.com/watch?v=5oYKonYBujg>

Sing the song - your grown up will pull out an object and use a robotic voice to segment the word e.g. "c-u-p-". Can you blend the phonemes to make the word again? "What did he do with the cup?" Use children's response to continue song e.g. "With a drink, drink here" etc.

**Make a shaker**

Simple shakers are great for exploring rhythm and improving hand-eye coordination. They are good for accompanying a sing-song too!

**Do some daily exercise**

For today, why not do some dancing. Dancing helps to lift our mood whilst at the same time keep us fit and healthy. Follow the link and dance along with Boogie Beebies!

<https://www.bbc.co.uk/programmes/b006mvsc>

Or why not pretend to be a butterfly!
