Reception Homeworking Tasks

Hello from Kimberley and Monica, we hope you are well and safe. Here are the tasks for today's learning. Have a good day! 😊

Today you will add objects together using your clever counting.

There are also books to read, Phonics games, PE and some bird songs to explore – have fun! 😊

You will need:

Some buttons or a different object

A pen or pencil

A whiteboard or paper

Ask an adult to place two groups of buttons down on your board or paper and draw some boxes for you. Don't forget the add + and the equals/makes = signs.

Carefully count each group of buttons and write your number in the box.

Then count both numbers. Put 4 in your head and count on 1. Write 5 in the box.

Use my one to help you do this by yourself.

1. Count these buttons first and write your number in the box

2. Then count these buttons and write your number in the box

3. Put the first number in your head and count on the second number. Write your answer in the last box.

Talk to your adult

What did you like about adding? Is there anything you found tricky?

Why don't you try adding some other things in your house?

Maybe you could add some of the Hungry Caterpillar's food.

Read a book: www.getepic.com/students Class code: bev0032

If you don't have a laptop or an iPad at home, you can download the 'Epic' app onto your smart phone. Enter your class code then find your name. Click on 'Mailbox' to read the eBooks your teacher has set you. Enjoy! 😊

Phonics: <https://www.teachyourmonstertoread.com/games/tm1/demo>

Teach Your Monster to Read – fun games to support with letter sounds. The link will take you to the demo; you can access more games by creating an account. All games are free on laptops. There is an app available too if you are accessing from a smart phone but it is at a cost of £2.99.

Read with Phonics Games – a great free alternative for smart phones.

Enjoy some PE: <https://www.afpe.org.uk/thisispe-supporting-parents-to-teach-pe-at-home/>

Short two-minute videos are being posted that show parents (and teachers) free, fun and easy to follow PE activities for the whole family to enjoy together.

Try *Lesson 4 – Rock and roll gymnastics*. Have fun! 😊

Bird song identifier: <https://www.rspb.org.uk/birds-and-wildlife/bird-songs/what-bird-is-that/>

Listen to the bird songs. Which one is your favourite? Why? Can you pretend to be your favourite bird? When you go outside for your daily walk, listen carefully for bird songs. Which bird can you hear? You can find out more about each bird by clicking 'learn more'. You will be able to watch videos and find out facts, like where it lives and what it eats.
