

Wednesday 8th July 2020  
Good Morning Year 1  
Here are your activities for today

**P.E.:** <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

**Reading:** Guitars <https://www.getepic.com/app/read/30321>

**Phonics:** Today you will be learning an alternative spelling for the j sound. <https://www.youtube.com/watch?v=zTEOMszP4P4> Write as many words as you can with the dge spelling. Write 3 sentences using these words.

**English:** <https://www.bbc.co.uk/bitesize/articles/zxkgn9g>  
Now watch

### **Activity 3: Let's describe dancing**

Watch this short video called 'The Grasshopper Song'.

Did you notice how the grasshoppers, bees, spiders, centipedes and other minibeasts were all dancing?

Think about some of the words that were used to describe how they danced.

- Write four sentences describing how they danced.
- Highlight the action words in your writing.

Here is an example to start you off: The grasshoppers were **hopping** all over the green, crunchy leaves.

**Mathematics:** <https://www.bbc.co.uk/bitesize/topics/zni7hyc/articles/zv86v4> How can reordering numbers into number bonds help me add them?

If you have to add three or more numbers it can help to use number bonds.

Number bonds are pairs of numbers that you already know make another number.

You probably already know some number bonds to 10, like these.

- $1 + 9 = 10$
- $2 + 8 = 10$

- $3 + 7 = 10$
- $4 + 6 = 10$
- $5 + 5 = 10$

**Topic:**

<https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/zyd6hyc> What are birds?
