

Thursday 9th July 2020

Not long until the end of term, little ones!

We know you might want to take home the lovely learning you did this year. We have put all your books into a pack for your grown up to collect from school.

School will be open on the **13th and 14th of July** from **10am - 2pm**.

Please ask your grown up to **call the office** and let them know if you want to collect your books!

Unfortunately, we can't keep your books over the summer so you must collect them on those days if you want them!

Literacy

We read the final chapter of the book *The Diary of a Killer Cat*.

Listen to this final chapter until the 5 minutes and 13 seconds (5:13) mark.

Chapter 7: Saturday

<https://www.youtube.com/watch?v=rjoRDvfuWdk&feature=youtu.be>

brimmed

prised

vicious

deceitful

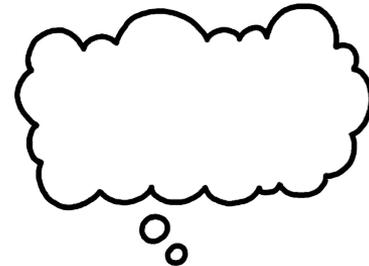

Yesterday, you wrote a character description for your own pet.

Today, you are going to pretend to be your pet. You were at the vet whilst Tuffy was there and saw the events unfold.

We are going to **plan** your **recount** today using an 8 box plan.

Remember, your plan doesn't need to be perfect. It's just a way of helping you organise your ideas. Feel free to use pictures and phrases to get your ideas down on paper.

You can show your character's emotions by drawing emojis.
You can show their thoughts by using thought bubbles.

<p>Who? <i>(Introduce your pet character)</i></p>	<p>Where? <i>(You're at the vet - why?)</i></p>	<p>What happens? <i>(What do you see Tuffy do first? What do you think?)</i></p>	<p>What happens next? <i>(What do you see Tuffy do next? Are you shocked/surprised? Do you find it funny? Would you behave that way?)</i></p>
<p>What happens next? <i>(If Tuffy has gone into the vet's room, what do you hear from the waiting room?)</i></p>	<p>Who helps, if anyone?</p>	<p>Ending <i>(What happens to you at the end?)</i></p>	<p>Feelings <i>(How do you feel at the end of the story? Why?)</i></p>

Maths

Today, have a go at **Nim-7 (Y2-Y6)**. It's a fun strategy game that is easy to play and hard to master! There are lots of ways to deepen the challenge too...
It's a two player game so ask a grown up or sibling to play with you!

Science

This week's project is a science project. This means you can be in charge of your learning and decide how you will present your work and findings.

What can you find out about the ocean?

You can choose what you want to learn about but make sure you find new things out, stretch yourselves and make sure the work is of a good quality.

Do you want to investigate animals in the ocean or perhaps choose a particular animal to focus on?

Do you want to find out about the different layers of the ocean?

You might want to make a model or create a powerpoint.

You might want to complete some experiments based on the ocean.

You decide and have fun! On the next two slides, we've put some websites to get your ideas going!

Some ideas to get you started....

Habitats -

Reading:

Daily story time - videos are uploaded at 10.30 Monday - Saturday

<https://www.ideastore.co.uk/storytime-online>

Oxford Owl - <https://www.oxfordowl.co.uk/>

For the links below, pupils with Ideas Store accounts can access e-books or audio books online. Pupils without an account can register online and use their registration number and pin for access to the e books on the apps / websites that the Ideas Store uses. The benefit of using these accounts is that you get audio and e book versions of the books the children love, like David Walliams, Captain Underpants, Horrid Henry, Harry Potter and more!

PHSE

It's really important to look after your mind as well as your body. Harold the giraffe is posting daily ideas for creating routines and the different things that you (with the help of your parents/carers) can do to keep happy and healthy - including looking after your emotional health.
