Nursery Homeworking Tasks

Good morning Nursery Class! I hope that you had a relaxing bank holiday weekend! Here are the Nursery homeworking tasks for today. For today's homeworking tasks we are getting musical! Why not make your own musical instrument at home? You could use an empty bottle and fill it with rice or lentils, give it a shake, what you can hear? Can you make your own music? There are some ideas below for today's learning.

Before bedtime talk about 3 of your best memories of today

I always like to think about 3 of the best memories of the day before I go to sleep. It helps me to feel happy and calm. Why not talk to your grown up about 3 of your best memories of today. You could even draw a picture of them and put it up on your wall.

Read A Book

Today's book is Giraffe's Can't Dance by Giles Andreae and Guy Parker-Rees. Follow the link below where you can listen to the story. I like listening to the music too.

Measuring with footprints

Using some old newspaper or paper, draw around your foot. Use the scissors to carefully cut the footprints out. Use the footprints for measuring around the house! How many will you need to get from one place to another? I wonder how many footprints you would need to get from the kitchen to the bathroom. I wonder how many footprints you would need to get from the front door to the sofa? Do you think you will need more or less?

Do some daily exercise

Exercise is a great way to keep your body and mind healthy and can really help with lifting your mood. Try some fun exercise from dancing with Oti Mabuse to workouts with Joe Wicks everyday at 9am.
