Phonics: Today you will be revising the alternative spellings for the ow and oi sounds.

At the Toy Shop

Our toy shop

On Saturday morning, we go to the toy shop in our town. We like to look at all the toys. Our toy shop has got many toys for boys and girls.

Looking inside

We enjoy looking around the shop. There are so many toys! It is my sister Jen's birthday today. She has got ten pounds to spend.

Loud sounds

I have found a loud drum. The sound is very loud! I have found a toy robot. It makes many sounds.
"Destroy! Destroy!" says the robot.

Different dolls

Jen is looking at a doll in a yellow outfit. It makes a sound when you press the button. I am looking at a different doll. It has got a cowboy hat and cowboy trousers.

Counting

Now I am looking at the numbers game. It helps you to count and do sum. Our dad has found a toy fairground. Look at the big wheel going round and round. It has many lights.

Harry Hound

Jen sees a toy dog. His name is Harry Hound. He has big, brown ears. Jen takes Harry Hound to the counter. She hands her ten pound note to the lady behind the counter.

Home time

"Can I get a toy?" I ask Dad. "Can I get the cowboy?"

"Not now," says Dad.

Then I remember. My birthday is in only three weeks! I am counting the days.

Answer these questions:

1. Which toy said "Destroy! Destroy!"?
2. What toy would you choose if you were in the toy shop?

English: <https://www.bbc.co.uk/bitesize/topics/z6vv4wx/articles/z24rxfr> What are fictions?

Mathematics:

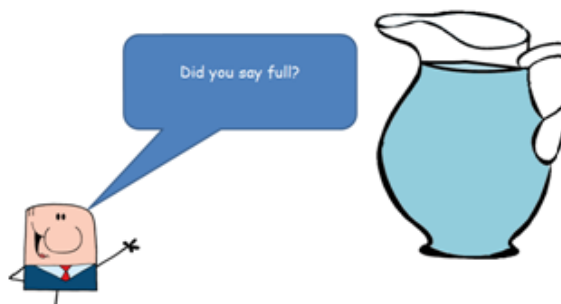

What would you use these containers to measure?

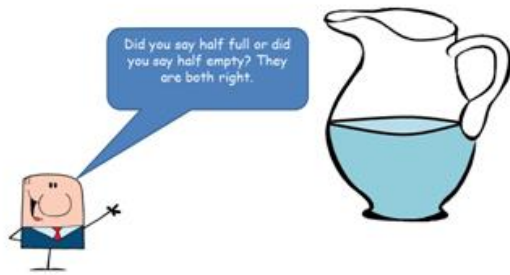

How would you describe this jug?

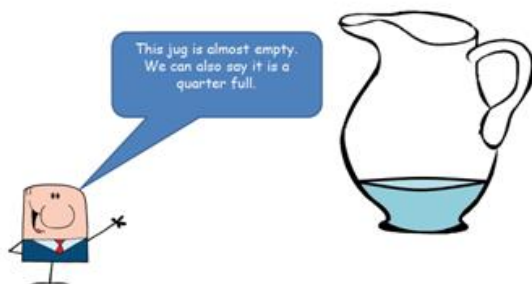

How would you describe this jug

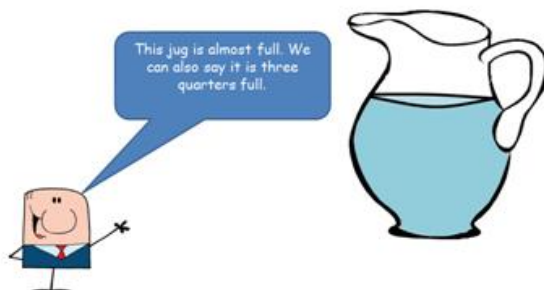

How would you describe this jug?

How would you describe this jug?

How would you describe this jug? |

Now use containers around house and challenge your family members to use, empty, full, half full, half empty, almost empty and almost full.
