Maths

Warm up - practise your money skills from the last two days.

Play coin cruncher! Play both How much? And Make the total.

<https://natwest.mymoneysense.com/students/students-5-8/coin-cruncher/>

Log onto Mathletics and complete the tasks assigned to you.

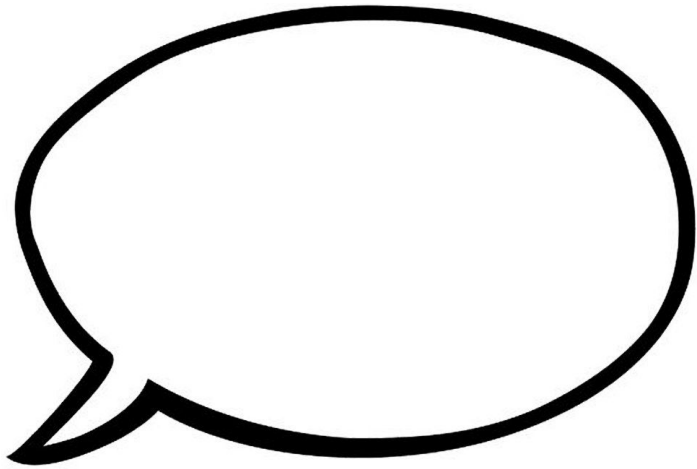

<https://login.mathletics.com/>

English

<https://www.literacyshed.com/adrift.html> Watch Adrift.

1. Pause the video at 1.00. What is the girl thinking? Look at her body language in the window and how it changes when she sees the bird and runs out of the house. Draw a thought bubble and write down her thoughts in this moment.
2. Pause the video at 1:40. How is the girl feeling now that a boy has landed on her whale? What is the boy thinking? Look at their facial expressions. Draw a speech bubble for each character and write what they would say to each other.

3. Pause the video at 1:50. The weather has changed and the boy flies off. What is the girl thinking now? Why? Draw a thought bubble and write her feelings and emotions.

Reading

<https://schools.firstnews.co.uk/wp-content/uploads/sites/3/resources/Four-Stories-728.pdf>

Read through the articles and complete the questions.

Computing

Today you will create your own comic to show how the Romans conquered Britain.

First log in to purple mash: <https://www.purplemash.com/sch/smithy-e1>

Username: y3

Password: y3

 comic

Type comic into the search bar.

Click on the blank comic book option.

Key tools you can use to make your comic:

Click and drag to add speech bubbles or text to your comic.

Add pages

Click and drag to add clip art.

history

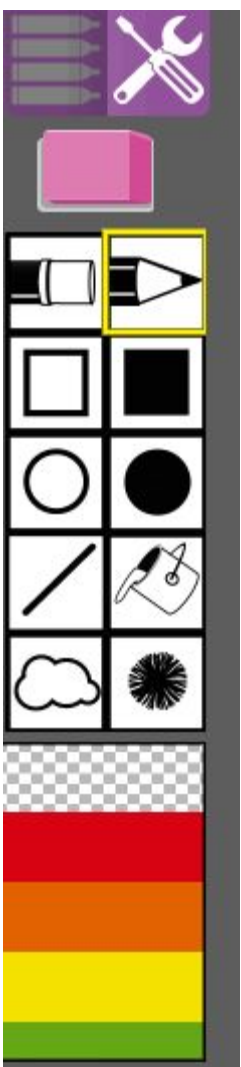

Click on

to change the type of clip art.

You can search different categories like history to help you find the best pictures. Click and drag into your comic.

You can also create your own pictures.

Make sure you save your work at the end. Include your name so I know it's you!
