

Thursday 11th June

Good morning Year 6,

Welcome back to school, those of you returning today. It is going to feel quite different to the last time you were in school but we know you are going to have a great time.

For those of you staying at home, it's nearly 3 months since you were last in school so please continue to work on the activities we are setting you.

Today's puzzle: How many 3's can you see on the phone screen ?

Lizzie, Chris and Alison

Chess

Spend at least 30 minutes on your next ChessKid lessons or puzzles.

[Log-in](#)

Winner of the Blue Peter Book Awards 2020.

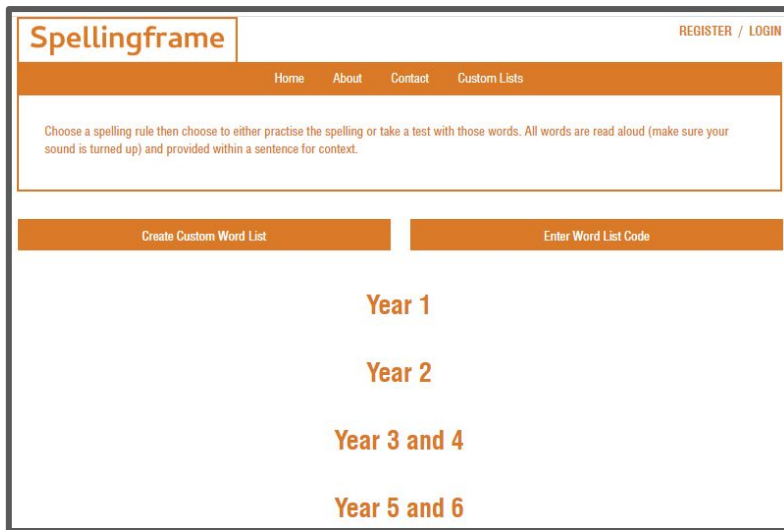

A new, incredible technology has been discovered in the city of Medlock, where a secretive guild of inventors have developed a way to capture spirits of the dead in animal-like machines, bringing them back to life.

Prue knows that the "Ghost Guild" might hold the key to bringing her brother back, so she seizes the stranger's offer to join as an apprentice. But to find her brother, she needs to find a way to get the ghost machines to **remember** the people they used to be. Yet if Prue succeeds, all of society could come apart... **Read the first chapter [here](#).**

Spelling.

The screenshot shows the Spellingframe website interface. At the top left is the logo "Spellingframe" and at the top right are the links "REGISTER / LOGIN". Below the logo is a navigation bar with links for "Home", "About", "Contact", and "Custom Lists". A central text box contains the instruction: "Choose a spelling rule then choose to either practise the spelling or take a test with those words. All words are read aloud (make sure your sound is turned up) and provided within a sentence for context." Below this are two buttons: "Create Custom Word List" and "Enter Word List Code". At the bottom, there are four categories of word lists: "Year 1", "Year 2", "Year 3 and 4", and "Year 5 and 6".

Creative Writing

“Thank you...” Two simple words, but such a powerful message...

- Who has written the message?
- Why have they written the message?

Describe the act of kindness that resulted in someone writing this ‘thank you’ message? Remember to include the feelings involved.

Geography: Mountains

Mountains are some of the most visible features on the surface of the earth. We have collect a few short videos about mountains for you to watch (you don't need to do the activities).

- An introduction to the [three largest mountain ranges](#) in the world.
- How mountains are [formed](#).
- [The Alps](#)
- Climbers reaching the [summit](#) of the Matterhorn.
(Chris climbed this when he was 20 !)

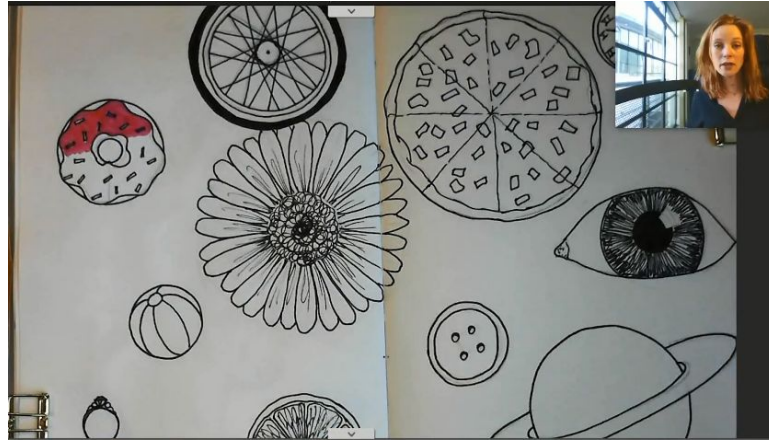

Geography: The World

Complete this [lesson](#) about mapping the world. Activity 3 is an excellent way of learning some of the main landscape features of our planet (the previous slide about mountains will help).

Finally, try the cbbc [map-master quiz](#)

Art- The Circle Challenge

A very interesting and creative lesson on the use of circles in art.

Extension

The government has created the Oak National Academy to provide extra 'lessons' for children while you are at home. Each day there are maths, English and foundation lessons. The lessons are sequential, so it is important that you do them in order.

We want you to first complete the work that we have set you. If you decide you would like an extension, then click on the link below to access their lessons.
