

# Tuesday 12th May 2020

Hello Year 2! Hope you are all happy and safe!

# Writing

Just like Samuel Pepys, we've been living through a historical event. Lockdown is an event that children will study in the future!

A few weeks ago your task was to write an account of your experiences during this **unprecedented** event (that's a wow word of the day - it means it's never happened before).

Today we would like you to add to your writing.

**Can you tell us what else has happened?**

**What is your day like and what is your families day like?**

**What would you like the children of the future to know about this time?**

Together, we'll create a time capsule for people of the future! Remember to include photos and drawings if you'd like to!

# Maths

Today we are going to be practicing using money and making different amounts using coins.

Can you start by naming these coins?

Then log on to your purple mash account using your username and password that was sent to your parents via email. Have a go at this activity.

Shop Multi-Drag Game

# Music

Today let's do some singing, watch this sing along version of "Go the Distance" from Hercules and see if you can learn the words. Why not perform it for your family!

## PHSE

It's really important to look after your mind as well as your body. Harold the giraffe is posting daily ideas for creating routines and the different things that you (with the help of your parents/carers) can do to keep happy and healthy - including looking after your emotional health.
