Key links

Watch Minibeast Adventures with Jess

Find out some amazing facts about different minibeasts. How does a caterpillar turn into a butterfly? And what is the job of the Queen ant?

https://www.youtube.com/watch?v=JuHg5oWF_mo

Make your own number book <https://nrich.maths.org/10989>

Number Book

Counting reliably with numbers from 1 to 20
Sorting and describing

Children often enjoy collecting objects and counting them, and many love having a sticker book.

Adults could suggest creating a 'number book' when they see a child picking up one or two related objects.

The Activity

Children are asked to collect four (or whatever number is appropriate) of a range of objects both indoors and outdoors, for example, they may choose four leaves, four stones, four play figures ... They are invited to create their own book, 'My Book of 4', by sticking the objects into a plain-paged book, where appropriate, or by sticking in photos of the objects.

Encouraging mathematical thinking and reasoning:

Describing

Tell me what you are looking for.
Tell me about these things you've collected.
Tell me about your book.

Reasoning

Do you need any more? How do you know?
Have you got enough? How do you know?
Have you got too many? How do you know?

Opening Out

Provide further opportunities for children to do similar activities in different environments, e.g. on forest visits, in the playground, in the school garden, in the PE store ...

Sing the Butterfly song and learn colour names

Sing and learn this song about butterflies!

<https://www.youtube.com/watch?v=RPAZHVNVJp0>

Read 'Everybody Worries' by John Burgerman

<https://en.calameo.com/read/000777721945cfe5bb9cc?authid=Xu9pcOzU3TQx>

Read A Book

Today's book is The Very Quiet Cricket by Eric Carle.

You can find an online version here:

<https://www.youtube.com/watch?v=YdiGEjz5b0Q>

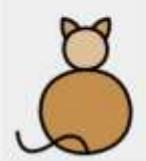

You can also choose a different book to read here: www.getepic.com/students . Log in with the code below. I have also assigned you some books to read to find out more about minibeasts! Take a look!

If you don't have a laptop or an iPad at home, you can download the 'Epic' app onto your smart phone. Enter your class code then find your name. Click on 'Mailbox' to read the eBooks your teacher has set you.

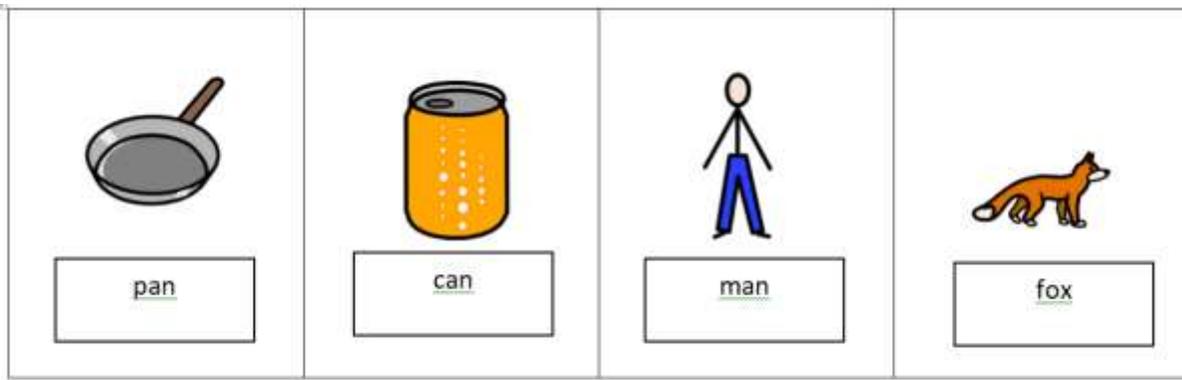

Phonics

Use these rhyming strips together. Grown ups can read out the words on the rhyming strips, can you find the odd one out? Which word does not rhyme? Which words do rhyme?

 <u>jug</u>	 <u>cat</u>	 <u>rug</u>	 <u>slug</u>
---	---	--	--

 <u>log</u>	 <u>frog</u>	 <u>man</u>	 <u>dog</u>
---	--	---	--

Enjoy some mark making

Have some fun making marks in different ways. Why not secure your pens to the back of your toy cars and use some paper to make different marks by driving the cars around the paper. You could also try some painting or drawing at home.

Do some daily exercise

For today, why not do some dancing. Dancing helps to lift our mood whilst at the same time keep us fit and healthy. Follow the link and dance along with Boogie Beebies!

<https://www.bbc.co.uk/programmes/b006mvsc>

You can also try one of these workouts at home:

Joe Wicks' PE Workouts - daily at 9am

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

Free dance classes with Oti Mabuse live everyday at 11am

<https://www.youtube.com/watch?v=MCeo6Q3p7Mc>

Have a great day!

From Abi
