Welcome Smithy Street Primary School

Les Instruments (Musical Instruments)

This is one of our most popular and original units introducing you to ten musical instruments and their associated article (the French word for 'the'). We will also show you and use the phrase 'Je joue...' (I play...) so you can start to build longer French phrases and sentences. This is a great unit with plenty of sounds and pictures. You will have lots of fun miming playing the various musical instruments. In every lesson we have a fun, colourful interactive PowerPoint, lots of fun worksheets (with different levels of challenge) for you to print, complete and keep and also a great karaoke song for you to sing along to!

Lesson Summary

We will now look at all 10 musical instruments together. In this lesson we will focus quite a bit of attention on the article (the different French words for our English word 'the') for each instrument and learn how to use it correctly.

R.E

We will continue to learn about Christianity.

Christians observe something called 'Holy Communion'.
Watch the video to find out what it is.

<https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-holy-communion/z7xhy9q>

To think and discuss:

- What is holy communion?
- What does the bread represent?
- What does the cup of 'wine' represent?
- Why do christians eat bread and drink wine?
- How can we tell it is an important event for Christians?
- Is there an event like this your life/belief?

Main Task - design a cup for Holy Communion. Draw your own cup and draw pattern or pictures for your design. Think about what the story behind the communion is.

Hello Year 4,

We have some **very exciting chess news** !

Chess in Schools, (who Andrew works for), have managed to get each of you a **free gold level access to the ChessKid website** until **20th July**.

Chris has been using it and says it is FANTASTIC !

The [**ChessKid for Parents and Carers leaflet**](#) tells your parents all they need to know about ChessKid. Click the link and show it to you parents.

The next few slides will show you how it works and how you can sign up for a ChessKid Smithy Street.

Music

Singing is a really good way of keeping our minds active and lifting our moods.

I challenge you to have a listen and learn a new song every day. Teach your family the song.

What can I do on ChessKid ?

← These are your settings..The speech bubble is where you may get a message from Chess in Schools or ChessKid.

← This is your user name. It is created when you sign up. Make sure you write it down. **Do not change your user name.**

← Play chess matches against the ChessKid computer or your friends.

← Play chess puzzles against the ChessKid computer or other children.

← Lots of lessons that teach you how to play chess. There are many more lessons to improve your chess skills if you can already play. More details on the next slide.

← Send a friend request to other Smithy Street children. When this is set up you will be able to play matches against each other in ChessKid.

Lessons

Each lesson has a teaching video followed by exercises for you to complete. If you are a beginner, start at the first lesson. If you can already play, scroll down the list and choose where you think is best to start for you. The lessons become more challenging as you work through them.

Videos

Here you can find videos to teach you all aspects of chess for example: openings, endgames, tactics and strategy.

The screenshot shows a green-themed chess learning interface. At the top, it displays 'Your Level: PAWN 3' next to a cartoon chess piece icon and a progress bar at 0%. To the right, it says 'Next Lesson: Meet the Queen!' with an orange 'START' button. Below this are three main sections: 'Lessons' (with a book icon and the text 'Take interactive chess lessons'), 'Videos' (with a clapperboard icon and the text 'Learn from the best!'), and 'Workouts' (with a brain icon and the text 'Play set positions'). A large white arrow points from the 'Lessons' section towards the text on the left, and another large white arrow points from the 'Videos' section towards the text on the left. A third large white arrow points from the 'Workouts' section towards the text on the right.

Workouts

Get better at chess by practicing these key positions over and over! Sometimes the goal is to win, sometimes to draw. If you get it right three times in a row, you've probably mastered it!

How do I sign up for chess kid ?

Click on this link and follow the instructions to set up your own personal Smithy Street account.

<https://www.chesskid.com/register/kid/group/GC5FSG>

YOUR PARENTS NEED TO ENTER THEIR E-MAIL ADDRESS DURING THE SIGN-UP. IF THEY DON'T DO THIS YOU WON'T BE ABLE TO CREATE YOUR OWN ACCOUNT.

Your parents will also receive an email from ChessKid inviting them to set up their own account. If they do this, they will be able to recover your username and password if you forget it. They can also learn to play chess- just like you !

MAKE SURE YOU WRITE DOWN YOUR USERNAME AND PASSWORD AND KEEP IT SAFE.

Remember, your account will only work until **20th July. After this date it will be inactivated.**

Make the most of it !

Website or app ?

P.S. You can access ChessKid through their website or by downloading their app. **It is better to use their website** as the app does not have everything on it.
