Reading

Go to Collins connect and enter in the details below

<https://connect.collins.co.uk/school/Portal.aspx>

Go to **Collins Connect** and click on the Teacher portal and enter:

Username: **parents@harpercollins.co.uk**

Password: **Parents20!**

- **Read the book 'Seahorses'**
- **Draw a picture of a seahorse and label it .**
- **Create a poster about seahorses.**
- **Use the information from the book to help you!**

We have learnt:

- *A seahorse is a fish and has gills to breathe.*
- *They swim upright and swim slowly.*
- *They have 3 fins and use their tails to grasp things.*
- *They have a neck and a head shaped like a horse.*
- *They eat baby fish or tiny shrimp.*
- *They can change colour and blend into the background to hide from predators.*
- *They have very good eyesight.*
- *The male seahorse gives birth to the babies.*

Literacy

Bugs

- Write sentences about your bugs.
- Challenge: Use the word 'and' to join your ideas together

e.g. Spiders have 8 legs and spin webs.

 shiny	 dull	 hard	 soft
 legs	 black	 colourful	 wings
 antenna	 stripy	 pattern	 crawl
 fly	 wriggle	 buzz	 eat

Science- Plants

Watch this video and answer the questions.

<https://www.bbc.co.uk/bitesize/clips/ztjd7ty>

- What do all plants need?

Draw and label a plant that likes lots of water...	Draw and label a plant that likes some water...	Draw and label a plant That likes a little water ...
 <hr data-bbox="150 1278 556 1292"/>	 <hr data-bbox="710 1278 1116 1292"/>	 <hr data-bbox="1309 1278 1715 1292"/>

Physical Activity

Maths- Warm up

- Have a go at answering these questions. Write number sentences to help you!

- How many eyes do the purple and orange aliens have altogether?
- How many legs do the green and orange aliens have?
- Count together the orange and purple aliens.
-take away the purple aliens.
How many aliens are left?

• Maths – Data Handling

- Create a block graph like the one below in your work book.
- You can draw each bug in the box or colour in the box.
