

Wednesday 13th May

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Wednesday 13th May

Reading: ...

Good morning/afternoon, Year 5!

Boris Johnson announced that he hopes to have all primary school students in school for at least a month before the summer holidays...fingers crossed! In the meantime, try to complete as many of these tasks we set you so we can 'hit the ground running' when we return to Smithy Street. Have you started learning how to play [chess](#) yet...I can't wait to play you back at school!

From David

Websites and Activities

Here we will keep an updated list of websites and activities you could be doing, once you've finished the Daily Tasks we've set. Some you will need your login details for, some you won't.

Online Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily Lessons](#)

Reading:

- [First News](#): weekly newspaper for children
- [Get Epic](#): online collection of books to read (between 9 am - 4 pm)
- [Read Theory](#): short extracts with comprehension questions

Maths:

- [Mathletics](#): practice your maths
- [Times Table Rock Stars](#): times table practice (beat the other Year 5 class!)
- [Study Ladder](#): practice maths skills (not just for maths!) (between 8:30 am - 4:30 pm)
- [I See Maths](#): daily lessons for various year groups
- [White Rose](#): maths lessons for different year groups

Other activities:

- [Joe Wick](#): fitness videos (9:00 am Monday to Friday)
- [DK Find Out!](#): online Encyclopedia
- [Scratch](#): computing/Coding
- [Purple Mash](#): Use for a range of different activities
Username: y5, Password y5
- [Duolingo](#): learn French
- [Scouts](#): plenty of activities for you to do indoors!
- [Chess](#): learn, practice, play!

Contents Page

Here we will provide links to the previous days work that we've set, it may be useful to look at previous days if you missed them.

Extra Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily](#)

[Monday 23rd March](#)

[Tuesday 24th March](#)

[Wednesday 25th March](#)

[Thursday 26th March](#)

[Friday 27th March](#)

[Monday 30th March](#)

[Tuesday 31st March](#)

[Wednesday 1st April](#)

[Thursday 2nd April](#)

[Friday 3rd April](#)

[Monday 20th April](#)

[Tuesday 21st April](#)

[Wednesday 22nd April](#)

[Thursday 23rd April](#)

[Friday 24th April](#)

[Monday 27th April](#)

[Tuesday 28th April](#)

[Wednesday 29th April](#)

[Thursday 30th April](#)

[Friday 1st May](#)

[Monday 4th May](#)

[Tuesday 5th May](#)

[Wednesday 6th May](#)

[Thursday 7th May](#)

Friday: Bank Holiday

[Monday 11th May](#)

[Tuesday 12th May](#)

Wednesday 13th May

Thursday 14th May

Friday 15th May

Date

Reading: Maya

- Read [Maya](#) and answer the questions in your English workbook.
- Remember, present your work as if it was done in the classroom.
- Write out each answer in full sentences and concentrate on your handwriting.

Additional Reading: [Read Theory](#) for around 30 minutes

Date

Writing: Using Alliterations and Onomatopoeia

- Watch this video from the [BBC Daily Lessons](#)
- It explains how to use alliterations and onomatopoeia when describing a setting
- Watch the videos and then complete the tasks on the webpage
- Final Activity: [click here](#) (there are more activities on the website)

Date

Maths: Subtraction

- Log into <https://login.mathletics.com/> and complete the subtraction activities assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

OR

- Click [here](#) if you **can't** access Mathletics - or want more work to do!

Put the date and title in your maths book. Write the questions and show your working out.

Date

Science: Space

Look at this page: <https://www.dkfindout.com/uk/space/constellations/>

- What are constellations?
- Where can you see constellations?
- What did the Ancient Greeks name constellations after?
- How many constellations do scientists say there are?

Draw your favourite constellation in your work book. My favourite is Orion!

Look out at the stars later tonight when there's a clear sky. Which constellations can you see?

Date

RE: Hinduism

Hindus worship God in many different ways. In this activity you will learn about one celebration of God in the form of the Goddess, Durga.

Watch this clip from the BBC. This is a special festival of worship to Durga in Calcutta, a huge city in India: www.bbc.co.uk/programmes/p010xmhy

The clip shows a 9-day long festival called Durga Puja (also known as the festival of Navaratri). It is a lively celebration, full of sounds, colours, smells, tastes and other sensations.

As you watch the clip, think about your five senses: seeing, hearing, tasting, smelling and touching.

Imagine what it would be like to be at this Hindu celebration. Write down some of your ideas.

- What things do you see and hear?
- Use your imagination: what would you taste, smell and touch if you were there?

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

- Star Wars Jedi workout!

<https://www.youtube.com/watch?v=kAUMHws2ap0&list=PLvuT1Bjs2VSF0Yqahj8VAKBwyYFnLJIDa&index=31>

- Join Joe Wick LIVE everyday at 9:00 am on YouTube: [click here](#)

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

| | | |
|--------|------------|--|
| Year 5 | English | <ul style="list-style-type: none">• Genre Focus: Setting Description |
| | Maths | <ul style="list-style-type: none">• Transformations• Converting• Volume• Calculating with decimals• 2-D and 3-D shape |
| | Foundation | Science: <ul style="list-style-type: none">• Unit 1: rock cycle• Unit 2: electricity Humanities: <ul style="list-style-type: none">• Middle East Spanish: <ul style="list-style-type: none">• To learn the alphabet and numbers 1-10 in Spanish Creative: <ul style="list-style-type: none">• To identify a range of different textures and use a pencil to recreate them |

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Click here for the link: [BBC Bitesize Daily Lessons](#)

The screenshot shows the BBC Bitesize Daily Lessons website interface for Year 5/P6 lessons. The header includes the BBC logo, the text 'Year 5/ P6 lessons', and the dates 'Monday 20 April - Friday 24 April'. Below the header is a table with five columns representing the days of the week (Monday to Friday) and three rows representing different subjects: English, Maths, and a mix of History, Geography, Science, Music, and Wellbeing.

| Monday | Tuesday | Wednesday | Thursday | Friday |
|---|---|---|---|--|
| English Understanding similes and metaphors | English Understanding and using alliteration | English Writing a newspaper report | English To understand expanded noun phrases | English Reading lesson: To Be a Cat by Matt Haig |
| Maths Identify and position negative numbers on a number line | Maths Add and subtract numbers with more than 4 digit numbers using | Maths Multistep problems, including estimating and rounding | Maths Multiples and factors | Maths Challenge of the week |
| History Who were the Ancient Egyptians? | Geography Introduction to settlements | Science The solar system | Music Singing with feeling | Wellbeing Teamwork |

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website until 20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
