

# Monday 13th July 2020

The last week of year 2 ! Remember, you can collect your books from this year today and tomorrow!

School is open on the 13th and 14th of July from 10am - 2pm.

Please ask your grown up to **call the office** and let them know if you want to collect your books!

Unfortunately, we can't keep your books over the summer so you must collect them if you want them!

# Literacy

Listen to this final chapter of *The Diary of a Killer Cat* from **5:13** to the end of the story.

Chapter 7: Saturday

brimmed

prised

vicious

deceitful

Now that we've read the whole story, do you think Tuffy changed over the story?

Do you think Tuffy will change in the future?

The story finishes on Saturday. What do you imagine will happen on Sunday?

Think and record ideas for what Tuffy might do next on Sunday.

When you have a few ideas, choose your favourite and draw a simple flow chart to show the sequence to your chosen event. There's a possible example below!

Remember, your plan doesn't need to be perfect. It's just a way of helping you organise your ideas. Feel free to use pictures and phrases to get your ideas down on paper.

# Maths

Today, have a go at this 'What If...?' problem solving activity!

It's called **School Fair Necklaces**. Follow the link to find out more :)

## DT Project

This week's project is a DT project. This means you can be in charge of your learning and decide how you will present your work and findings.

This week you are going to use everything you have learnt about countries and oceans to create your own island or country!

You can use your research from the past two weeks to help you decide what you would like your country to be like!

You need to consider:

What animals live in your country?

What the climate of your country is going to be?

What habitats will you find in your country?

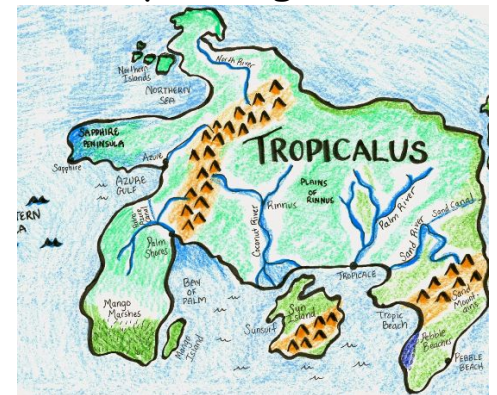

You need to plan, design and make your countries using recycling from your home!

# DT Project

We suggest that you begin by mind mapping all your ideas and deciding on a name for your island.

Then it would be nice to draw out your country so you know how you want it to look! Will it have lakes? Will it have mountains? Will it be covered in snow? It is up to you!

After you have planned and designed your country you can start to create it! You can use recycling from around your house to junk model your country! You can create the animals or people that live in your country and the different habitat you might find there!

# Reading:

Daily story time - videos are uploaded at 10.30 Monday - Saturday
