

# Monday 13th July

For each activity, write the date and title in the appropriate workbook.

For example:

Monday 13th July

Reading: ...

Hello Year 5!

This is the last week of school before the summer holidays start...when you return to school, it'll be called Stepney Park Primary School and you'll be in Year 6! Whilst Bradley and myself won't be setting daily homework over the holidays, many of the websites will still have lessons and activities you can use if you want to. Have a look on the [Oak National Academy](#) if you want some virtual teaching!

From, David

# Websites and Activities

Here we will keep an updated list of websites and activities you could be doing, once you've finished the Daily Tasks we've set. Some you will need your login details for, some you won't.

## Online Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily Lessons](#)

## Reading:

- [First News](#): weekly newspaper for children
- [Get Epic](#): online collection of books to read (between 9 am - 4 pm)
- [Read Theory](#): short extracts with comprehension questions
- [Online Library](#): use your library card online!

## Maths:

- [Mathletics](#): practice your maths
- [Times Table Rock Stars](#): times table practice (beat the other Year 5 class!)
- [Study Ladder](#): practice maths skills (not just for maths!) (between 8:30 am - 4:30 pm)
- [I See Maths](#): daily lessons for various year groups
- [White Rose](#): maths lessons for different year groups

## Other activities:

- [Joe Wick](#): fitness videos (9:00 am Monday to Friday)
- [DK Find Out!](#): online Encyclopedia
- [Scratch](#): computing/Coding
- [Purple Mash](#):  
Username: y5  
Password y5  
Use for a range of different activities
- [Duolingo](#): learn French
- [Scouts](#): plenty of activities for you to do indoors!
- [Chess](#): learn, practice, play!

# Contents Page

Extra Lessons:

- [Oak National Academy](#)
- [BBC Bitesize Daily](#)

Here we will provide links to the previous days work that we've set, it may be useful to look at previous days if you missed them.

Date

Reading: Earth Day

- Open the [extract and questions](#)
- Read the text
- Answer the questions in your writing book (remember the answer must be in the text somewhere...)

Additional Reading: [Read Theory](#)  
for around 30 minutes

Date

## Maths: Multiplication and Division

- Log into <https://login.mathletics.com/> and complete the activities assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

**OR**

- Click [here](#) if you **can't** access Mathletics - or want more work to do!

Put the date and title in your Maths book. The answers will be attached to tomorrow's work. Some of the questions might be a bit tricky, but please have a go and try your best!

Date

# Geography: Earth's Layers

Go on: <https://www.dkfindout.com/uk/earth/structure-earth/>

Answer these questions:

- What is the shape of the Earth?
- Why is the Earth's atmosphere important?
- What are the layers of the Earth called?
- What is the hot, molten rock that bursts out of a volcano called?

Complete the quiz: <https://www.dkfindout.com/uk/quiz/earth/test-yourself-on-structure-earth/>

# Date

## Activity: French

1. Go to the [Language Angels](#) website
2. Click Login
3. Then select Login Pupil Games

Username: frenchgames

Password: frenchgames

4. Choose the games that you want to play. Just write the date and title in your book. You do not need to write anything else for French in your books today.

# Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Try this video:

**PE with Joe Wicks**

<https://www.youtube.com/watch?v=H5Gmlq4Zdns>

# Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

**We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).**

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none"><li>• Genre Focus: Setting Description</li></ul>
	Maths	<ul style="list-style-type: none"><li>• Transformations</li><li>• Converting</li><li>• Volume</li><li>• Calculating with decimals</li><li>• 2-D and 3-D shape</li></ul>
	Foundation	Science: <ul style="list-style-type: none"><li>• Unit 1: rock cycle</li><li>• Unit 2: electricity</li></ul> Humanities: <ul style="list-style-type: none"><li>• Middle East</li></ul> Spanish: <ul style="list-style-type: none"><li>• To learn the alphabet and numbers 1-10 in Spanish</li></ul> Creative: <ul style="list-style-type: none"><li>• To identify a range of different textures and use a pencil to recreate them</li></ul>

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

# Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Click here for the link: [BBC Bitesize Daily Lessons](#)

The screenshot shows the BBC Bitesize Daily Lessons interface for Year 5/P6 lessons, covering Monday 20 April to Friday 24 April. The interface is organized into a grid with columns for each day of the week and rows for different subjects. The subjects listed are English, Maths, History, Geography, Science, Music, and Wellbeing. Each cell in the grid contains a brief description of the lesson for that day and subject.

Year 5/ P6 lessons				
Monday 20 April - Friday 24 April				
Monday	Tuesday	Wednesday	Thursday	Friday
<b>English</b> Understanding similes and metaphors	<b>English</b> Understanding and using alliteration	<b>English</b> Writing a newspaper report	<b>English</b> To understand expanded noun phrases	<b>English</b> Reading lesson: To Be a Cat by Matt Haig
<b>Maths</b> Identify and position negative numbers on a number line	<b>Maths</b> Add and subtract numbers with more than 4 digit numbers using	<b>Maths</b> Multistep problems, including estimating and rounding	<b>Maths</b> Multiples and factors	<b>Maths</b> Challenge of the week
<b>History</b> Who were the Ancient Egyptians?	<b>Geography</b> Introduction to settlements	<b>Science</b> The solar system	<b>Music</b> Singing with feeling	<b>Wellbeing</b> Teamwork

# Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website** until **20<sup>th</sup> July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [ChessKid for Parents and Carers leaflet](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[Click here](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
