Your new classroom!

Last week you visited your new classroom. You are all based in south building on the roof with either Jack or Lucy!

1. Draw a map of how to get to your new classroom from the entrance and write instructions/directions for someone to follow to get there from the school gate. Remember to use directions (left, right, north, east, south, west...) and prepositions (behind, next to, above...).
2. What are you most excited about in your new classroom?
3. Draw a picture of the class room (try to remember it as much as possible) and label it. Then show and explain it to someone at home.

Maths - time!

Play this game to match the times - decide your difficulty from levels 1 to 5.

R.E - a message from Jessie

Make a poster showing all the types of prayer we have covered this term.

Include what happens during the prayer and where the prayer takes place.

Make it bold and colourful!
