

Tuesday 14th July

Hello Year 6,

We hope you enjoyed yesterday's activities and videos. Today's history slide links to a website of quizzes for all the topics you have studied during primary school. Take your pick and see what you have remembered! Also, take the opportunity to explore the *DK Find Out!* website.

Logical thinking puzzles.

There are 5 sisters
in the room:
Ann is reading a book,
Margaret is cooking,
Kate is playing chess,
Marie is doing laundry.
What is the fifth sister doing?

There are two girls:
one is facing the South,
the other faces North.
Yet they can see
each other
without mirrors.
How can it be?

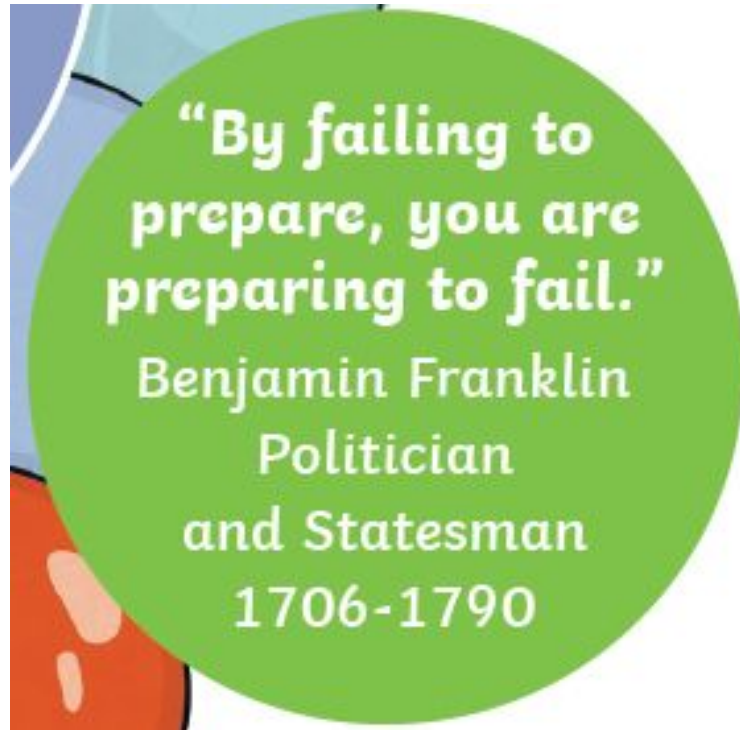

Thoughts for now and the future.

Look at each statement and discuss it with you friends.

**“You have brains in
your head. You have
feet in your shoes. You
can steer yourself in any
direction you choose.”**

Oh, The Places You'll Go!
by Dr. Seuss

**“By failing to
prepare, you are
preparing to fail.”**

Your new form tutor.

In September you will meet every day with your form group. A teacher (your form tutor) is in charge of your form. Usually, you will stay with this form all the way through secondary school.

Write a letter to introduce yourself to your new form tutor.

You should organise your letter into paragraphs, for example:

- Introducing yourself and explaining why you are writing.
- Information about yourself and your family
- Things you enjoy doing.
- What you like about going school
- What you dislike about school
- What you are looking forward to at secondary school

Millions !

This is a famous saying: **‘Money can’t buy you love or happiness.’**

But just imagine you won a million pounds ! How would you spend it ?

Family ?
Holidays?

Friends ?
Charity ?

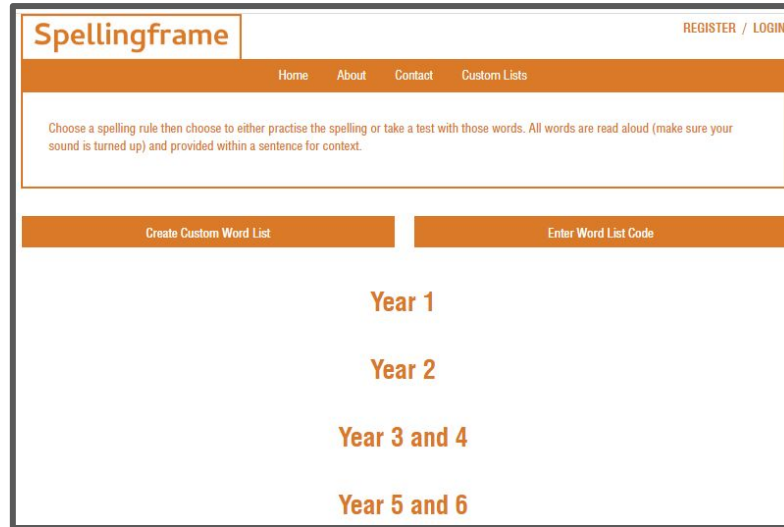

Discuss it with your family or friends - it's an interesting question !

What problems do you think might be caused by having all that money ?

Spelling.

The screenshot shows the Spellingframe website interface. At the top left is the logo "Spellingframe" and at the top right are the links "REGISTER / LOGIN". Below the logo is a navigation bar with links for "Home", "About", "Contact", and "Custom Lists". A central text box contains the instruction: "Choose a spelling rule then choose to either practise the spelling or take a test with those words. All words are read aloud (make sure your sound is turned up) and provided within a sentence for context." Below this are two buttons: "Create Custom Word List" and "Enter Word List Code". At the bottom, there are four year-level categories: "Year 1", "Year 2", "Year 3 and 4", and "Year 5 and 6".

Extension

The government has created the Oak National Academy to provide extra 'lessons' for children while you are at home. Each day there are maths, English and foundation lessons. The lessons are sequential, so it is important that you do them in order.

We want you to first complete the work that we have set you. If you decide you would like an extension, then click on the link below to access their lessons.
