Nursery Homeworking Tasks

Good morning Nursery Class! Here are the Nursery homeworking tasks for today. Today there are lots of fun activities you can choose from. I particularly like the idea of making my very own sock puppet using an old sock, a pen and some other materials I can find in the house! There are some ideas below for today's learning. Scroll down to find the links. From Abi

Make a Feelings Diary

To help you think about how you are feeling throughout the week create a feelings diary with your grown up. This will help you realise that it is OK to feel how you are feeling now and also know that your feelings change. Spend some time talking about one or two feelings that you have today (happy, sad, anxious, relaxed, excited, worried). Use the pictures of different feelings from the link below or make your own by drawing them with pen and paper. Use the grid below or draw your own and put the picture that represents how you feel into the boxes. At the end, talk about or draw a picture of at least one thing that made you happy today.

Read A Book

Today's book is Giraffe's Can't Dance by Giles Andreae and Guy Parker-Rees. Follow the link below where you can listen to the story. I like listening to the music too.
