Good Morning Year 1

Here are your activities for today

P.E.: <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

Reading: Read 'Goldilocks and the Three Bears' by Calee M. Lee on this link
<https://www.getepic.com/app/read/6450>

Phonics: Today you will be learning the alternative spelling for the short **oo**. Watch Nahida teach this lesson.

<https://drive.google.com/file/d/1v9pRrUVZUTesv4DikKRhkVa2kuIHkW2D/view?usp=sharing>

English: https://www.purplemash.com/#app/pup/goldilocks_wanted

Login to Purple Mash: Create a Wanted poster for Goldilocks. (Remember to save your work under your name so your teachers can see)

- Use the tabs of the left to decide which information to include.

Alternatively: if you cannot login to Purple Mash. Draw a picture of Goldilocks under the word Wanted on a piece of paper. Underneath write a description of her. Why is she wanted? What is the reward.

Mathematics: Watch this video and join in.

<https://www.youtube.com/watch?v=DnFrOetuUKg> Log into Mathletics and complete the assigned tasks (Model Multiplication to 5x5 and test) **OR** copy and complete the task below

I am thinking of a number between 20 and 30

I can only make equal groups of 5

What must my number be?

What happens when I try to make groups of 2 with it?

What happens when I try to make groups of 10 with it?

There are 10 cakes and 2 boxes.

An equal amount needs to be put into each box.

Jack

Put them into groups of 2

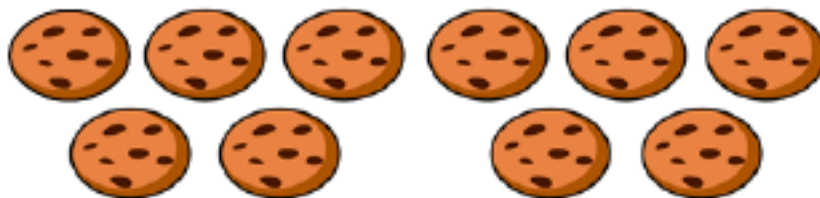

Eva

Share them into 2 groups.

Who is correct?

Explain your answer.

Dora has 10 biscuits.

She wants to share them equally at her party.

How many people could be at the party?

Share the muffins equally between the two plates.
Complete the sentence.

___ cakes shared equally between 2 is ___

Collect 20 cubes. Use hoops to represent your friends.

Can you share the cubes between 5 friends?

20 shared between 5 equals ___

Can you share the cubes between 2 friends?

20 shared between 2 equals ___

Can you share the cubes between 10 friends?

20 shared between 10 equals ___

Tim has 16 bananas.

He shares them equally between two boxes.

How many bananas are in each box?

Represent and solve the problem.

Topic:

THE LAST 10 NIGHTS COUNT YOUR BLESSINGS

To be happy in life, it is a good idea to think about all the things we are blessed with. And to think about all the things that are going well in our lives. And appreciate all the things that we have which others do not have.

How many blessings can you list? Write them into the boxes below.

Then, get a piece of paper for each member of the family. Ask an adult to cut the pieces of paper up into pieces (big enough to write a few words on). Tell everyone to write down their blessings. Get an empty box or jar and place all the pieces of paper inside. After Iftar, make time to take a few out and read them aloud as a family. And don't forget to say Alhamdulillah!
