

# Monday 15th June

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Monday 15th June

Reading: ...

Good morning/afternoon, Year 5!

I've been looking at who has and who has not been reading on Get Epic (in both 5D and 5B)... I know some of you could spend more of your time at home reading! It would be really nice to see that the number of children using Get Epic has increased this week.

# Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

**We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).**

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

<b>Year 5</b>	<b>English</b>	<ul style="list-style-type: none"><li>• Genre Focus: Setting Description</li></ul>

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

# Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...
