

Wednesday 15th July

Hello Year 6,

Tomorrow is your final day at Smithy street !

A few reminders:

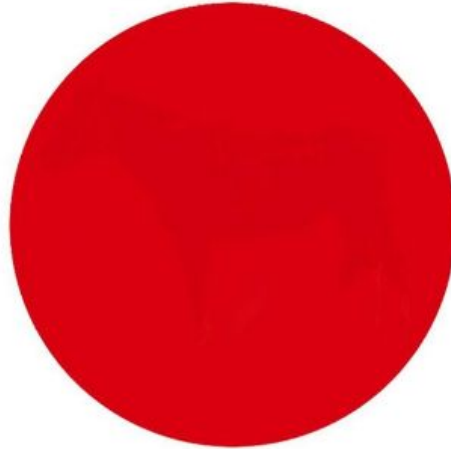

1. **6C** in school 10 00 - 12 00
6L in school 13 00 - 15 00
2. If you are bringing a t- shirt or shirt to be signed, you should not be wearing it.
3. Do **not** bring anything else in.
4. Chris can't be there but is looking forward to chatting to you online.

There will be no daily slides tomorrow.
Have a great time on Thursday.

Lizzie, Chris & Alison

Our last ever puzzles !

Stare at the red circle. Can you see anything ?

I HAVE SIX EGGS

I BREAK TWO

I FRIED TWO

I ATE TWO

HOW MANY EGGS
ARE LEFT?

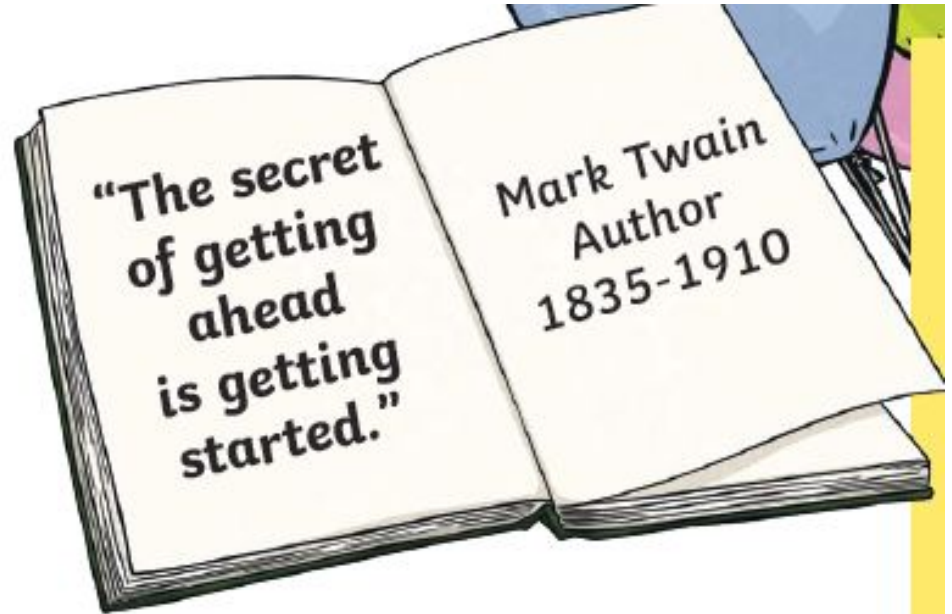

Thoughts for now and the future.

Look at each quote and discuss it with you friends.

“Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.”

**Thomas Edison,
Inventor (of the light bulb amongst other things) and
Businessman 1847-1931**

My Favourite Smithy Street Memory

Think back over your time at Smithy Street. Do you have one favourite memory ? It might have been a school trip, a fun lesson, a visitor, a sports event or an amazing activity.

Write a recount explaining when it was, who was there and what happened.

Remember to:

- write it in chronological order.
- describe your thought and feelings at the time.
- include your and other people's personal opinions about the event.

Following the clues from the only possessions she was left with when she was abandoned as a baby and guided by her 'Book of Theories', the imaginative Milou leads her four friends – the least adoptable children in the very horrible Little Tulip Orphanage – to her family home where she is sure she will find her parents. Travelling through a freezing night the children arrive at their destination. But there is not the welcome they had expected. Where are Milou's parents? And what is the mystery they need to solve? The creative ways in which the five children manage first to escape from the evil clutches of their matron and her evil accomplice Rotman and then to make a new life for themselves bamboozling neighbours and unravelling the mystery is vivid and captivating. **Read chapter 1 [here](#)**

Extension

The government has created the Oak National Academy to provide extra 'lessons' for children while you are at home. Each day there are maths, English and foundation lessons. The lessons are sequential, so it is important that you do them in order.

We want you to first complete the work that we have set you. If you decide you would like an extension, then click on the link below to access their lessons.
