Hello Year 2, hope you have a  
wonderful tuesday!

# Literacy

This week we are going to be reading and learning about a new book.

Using this first image can you write down your **predictions** about our new book.

What can you see?  
What do you think is happening?  
Do you have any questions?

I can see...

There are... / There is...

Looking closely, I noticed...

Perhaps... / Maybe...

The cat's thought suggests...

# Literacy

This week we are going to be reading and learning about a new book.

Using these new images can you add to your **predictions** about our new book.

What do we know now?

Have our opinions changed?

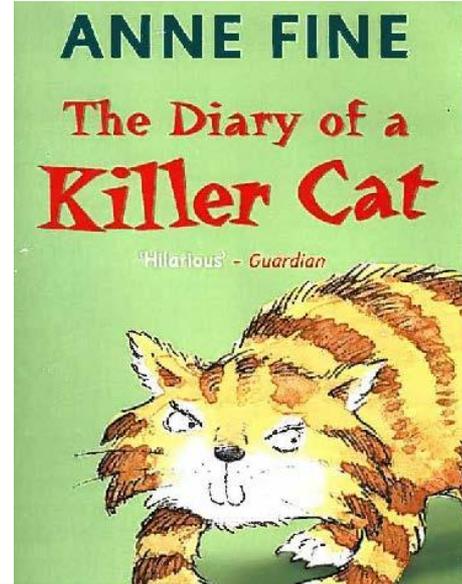

What is this story about?

I can see...

There are... / There is...

Looking closely, I noticed...

Perhaps... / Maybe...

'OKAY, OKAY. So hang me. I killed the bird. For pity's sake, I'm a cat.'

# Literacy

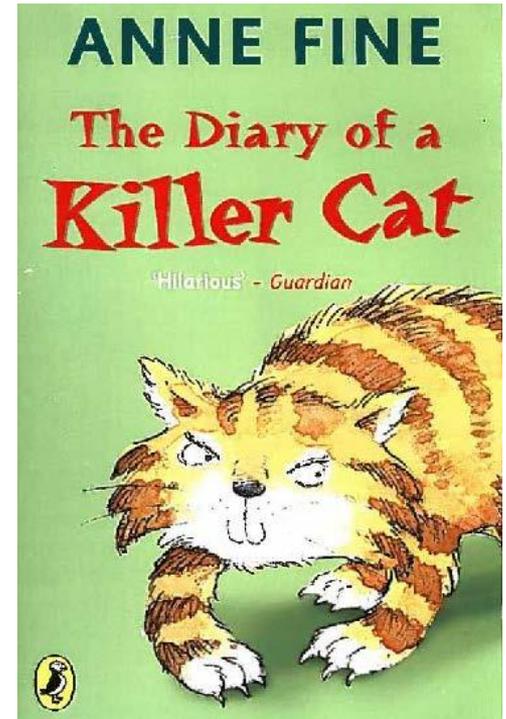

So for the next few weeks we are going to be reading and learning about "Diary of a Killer Cat" by Anne Fine.

Listen to Nadia reading you the first chapter and think what you know and think about Tuffy and Ellie from the chapter.

What **adjectives** (describing words) would you use to describe Tuffy?

What **adjectives** (describing words) would you use to describe Ellie?

# Maths

Yesterday you practised making a tally chart of the colour of smarties in a packet.

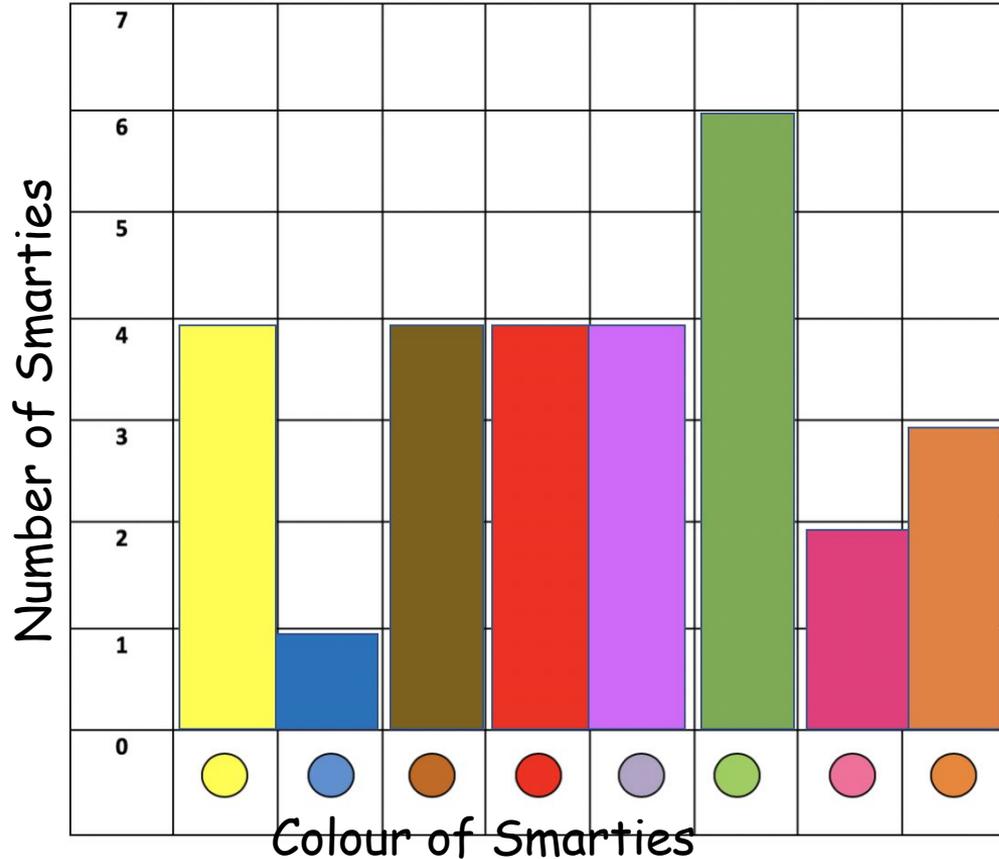

Smarties	Tally	Total
Green	<del>    </del>	6
Brown		4
Yellow		4
Red		4
Purple		4
Orange		3
Pink		2
Blue		1

This is what Nadia's tally chart looked like.

Yours will be similar but may have different tallies for the different colours.

# Maths

Today you are going to draw a bar chart of the smarties using your tally chart.

Remember to use a ruler and create straight lines with equal spacing between the numbers and smartie colours.

Draw the bars for each colour up to the number of smarties you have and colour the bars in.

Lastly, remember to label your bar chart.

# Well being and emotions!

We are living through a time that can feel strange and different for us and this may make you experience lots of different emotions. Sometimes you may feel happy and sometimes you might feel worried.

Listen to "The Colour Monster" by Anna Llenas, one of our favourite books to read at school.

<https://www.youtube.com/watch?v=Ih0iu80u04Y>

Can you then sort all your emotions into colours and draw them in jars like they did in the story?

Remember it is ok to feel all emotions but it is important to share how you are feeling with your adults to help you look after yourself and your feelings!
