Maths

Warm up:

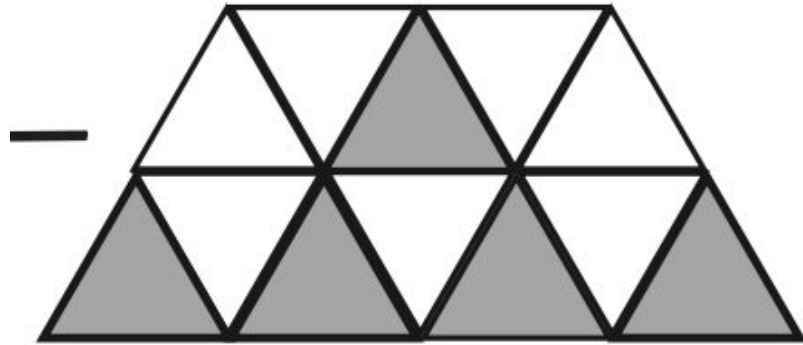

Revise the fraction knowledge you already have.

Play the fraction matching game (levels 1, 2 and 3)

https://phet.colorado.edu/sims/html/fraction-matcher/latest/fraction-matcher_en.html

For each of these shapes showing fractions, fill out the following sentences.

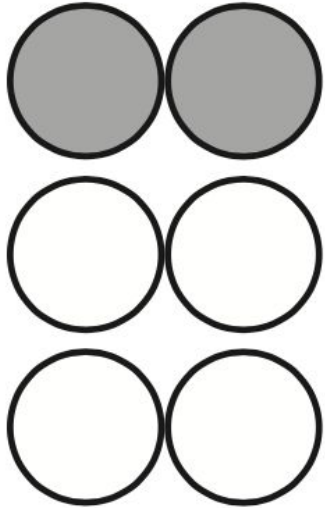

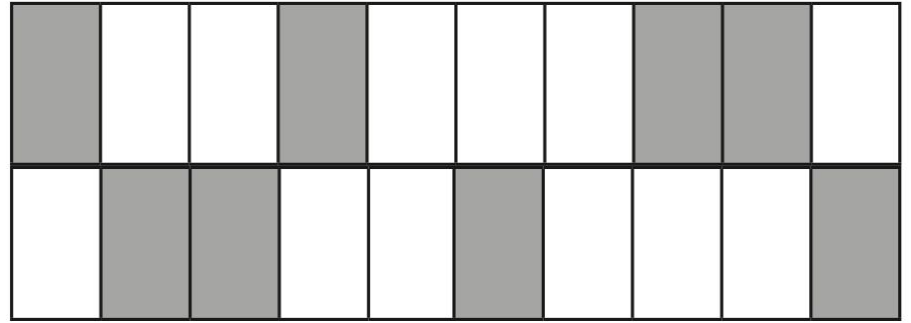

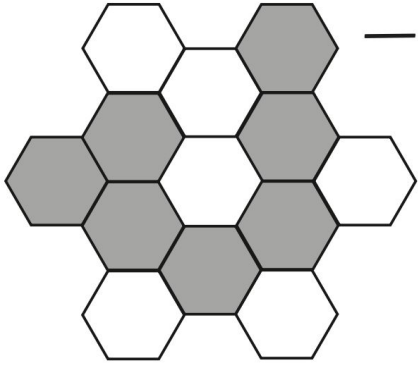

This one has been done as an example for you.

$\frac{5}{12}$ of the shape is shaded.

$\frac{7}{12}$ of the shape is not shaded.

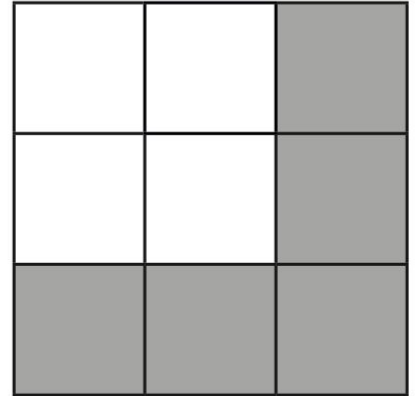

$\frac{5}{12}$ and $\frac{7}{12}$ make 1 whole.

_____ of the shape is shaded.

_____ of the shape is not shaded.

_____ and _____ make 1 whole.

Log onto Mathletics and complete the fraction activities assigned to you.

English

<https://www.literacyshed.com/marshmallows.html>

Watch this video.

Did you enjoy the video? Why?

Did you expect that to happen? Why/why not?

Watch the video again.

You are going to draw a **story map** to show what happens. Remember you are drawing out the stages not writing them, just like we do for stories/plans in school.

Before starting your story map go through the video bit by bit and think about each part.

For example:

What is the first thing that happens?

The monster comes out of the water and creeps up on the boy. (draw this as a picture)

Handwriting

Log onto letter join using these log in details ->

RE-why do people pray?

Today we will be looking at our own prayer rituals.

If you do not follow a particular religion think back to the beginning of the unit when we discussed prayer being equivalent to finding peace and having time to internalise feelings. I would like you to focus on how you find this peace outside of religion.

Create a poster to show how you pray/find peace.

Are there any rituals you follow,

Are there any specific words/prayers you say?

Where does this prayer/quiet time take place?

Are you able to pray anywhere?

Who prays with you?
