

# Wednesday 17th June

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Wednesday 17th June

Reading: ...

Good morning/afternoon, Year 5!

Hopefully you are completing many of the tasks that we've been setting? Remember you can access additional resources as extension work if you have time (and still record them in your workbooks from school). [Oak National Academy](#) has been set up by the government to provide 'lessons' and the [BBC has Daily Lessons](#) that look interesting!

RE: The Good Samaritan

1. Watch this video: <https://www.bbc.co.uk/bitesize/clips/z4vcd2p>
2. Why did Jesus tell this story? Can you think of two reasons?
3. One reason Jesus told this story was to teach people how to behave. How might people have been behaving for Jesus to need to tell this story?

# Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

# Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

**We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).**

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none"><li>• Genre Focus: Setting Description</li></ul>
	Maths	<ul style="list-style-type: none"><li>• Transformations</li><li>• Converting</li><li>• Volume</li><li>• Calculating with decimals</li><li>• 2-D and 3-D shape</li></ul>
	Foundation	Science: <ul style="list-style-type: none"><li>• Unit 1: rock cycle</li><li>• Unit 2: electricity</li></ul> Humanities: <ul style="list-style-type: none"><li>• Middle East</li></ul> Spanish: <ul style="list-style-type: none"><li>• To learn the alphabet and numbers 1-10 in Spanish</li></ul> Creative: <ul style="list-style-type: none"><li>• To identify a range of different textures and use a pencil to recreate them</li></ul>

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

# Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

# Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website** until **20<sup>th</sup> July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [\*\*ChessKid for Parents and Carers leaflet\*\*](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[\*\*Click here\*\*](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
