Have a safe and happy summer holidays with your families everybody! We will see you around school in September!

Tallula and Nadia :)

Literacy

Today is the last day of Year 2! We have enjoyed being your teachers so much and hope you have enjoyed being in our classes just as much as we have enjoyed having you.

We thought it would be nice for you to write a letter to your new teacher today!

In your letter you can tell them about;

- Yourself and what you enjoy doing in school and out!
- What you have been doing during school closure
- What you enjoyed about Year 2
- What you are looking forward to about Year 3

And anything else you want to include!

Remember your letter should begin with a letter opener e.g. **Dear Cara/To Zac** and a letter closer e.g. **From Tallula/Love Nadia**

DT Project

This week's project is a DT project. This means you can be in charge of your learning and decide how you will present your work and findings.

This week you are going to use everything you have learnt about countries and oceans to create your own island or country!

You can use your research from the past two weeks to help you decide what you would like your country to be like!

You need to consider:

What animals live in your country?

What the climate of your country is going to be?

What habitats will you find in your country?

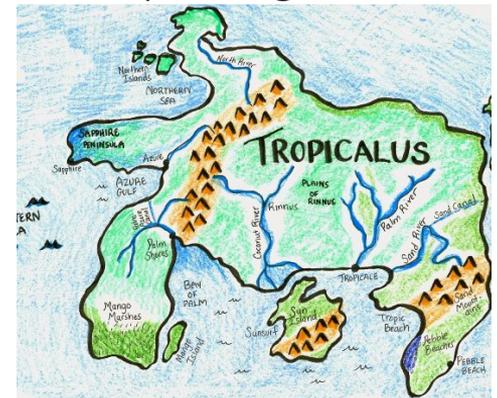

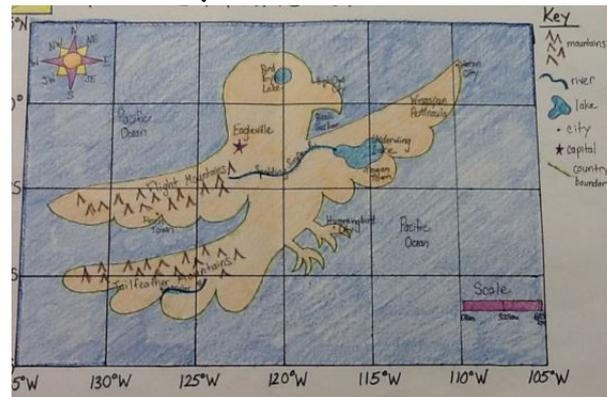

You need to plan, design and make your countries using recycling from your home!

DT Project

We suggest that you begin by mind mapping all your ideas and deciding on a name for your island.

Then it would be nice to draw out your country so you know how you want it to look! Will it have lakes? Will it have mountains? Will it be covered in snow? It is up to you!

After you have planned and designed your country you can start to create it! You can use recycling from around your house to junk model your country! You can create the animals or people that live in your country and the different habitat you might find there!
