

Monday 18th May

For each activity, write the date and title in the appropriate workbook (don't waste space and keep your presentation neat).

For example:

Monday 18th May

Reading: ...

Hello,

This week was meant to be [Walk to School Week](#)! As school is closed, could you plan to walk close to your home each day this week? The government says you are allowed outside, whilst socially distancing with your family. Could you use [Google Maps](#) to plan your route so you don't get lost!? Make sure you go with an older sibling or your parents.

Date

Reading: The Appalling Day

- Read [The Appalling Day](#) and answer the questions in your English workbook.
- Remember, present your work as if it was done in the classroom.
- Write out each answer in full sentences and concentrate on your handwriting.

Additional Reading: [Read Theory](#) for around 30 minutes

Date

Writing: Writing a Formal Report

- Watch this video from the [BBC Daily Lessons](#)
- It explains how and why we write formal reports
- Watch the 1 video and complete the first 2 tasks that help familiarise yourself with the features of a formal report
 - For activity 2, I suggest you just read through the first example and answer the first set of questions
- Complete Activity 3

Date

Maths: Mathletics

- Log into <https://login.mathletics.com/> and complete the reasoning test assigned to you.

Just write the date and title in your maths book - work to be completed on the computer.

OR

- Click [here](#) if you **can't** access Mathletics - or want more work to do!

Put the date and title in your maths book. Write the questions and show your working out. The answers are on the final page, so don't look at them until you have finished. Just copying the answers won't help you. This is why we want to see your working out!

Date

Geography: Earthquakes

Go on <https://www.dkfindout.com/uk/earth/earthquakes/>

- What is an earthquake?
- What causes an earthquake?
- Where are earthquakes found?
- How do people measure earthquakes?
- Why can earthquakes be so destructive?

Date

Activity: French

1. Log onto <https://www.languageangels.com/schools/index.php/intracive-games>

Username: frenchgames

Password: frenchgames

2. Choose the games that you want to play. Just write the date and title in your book. You do not need to write anything else for French in your books today.

Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra ‘lessons’ for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none">• Genre Focus: Setting Description
	Maths	<ul style="list-style-type: none">• Transformations• Converting• Volume• Calculating with decimals• 2-D and 3-D shape
	Foundation	Science: <ul style="list-style-type: none">• Unit 1: rock cycle• Unit 2: electricity Humanities: <ul style="list-style-type: none">• Middle East Spanish: <ul style="list-style-type: none">• To learn the alphabet and numbers 1-10 in Spanish Creative: <ul style="list-style-type: none">• To identify a range of different textures and use a pencil to recreate them

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...

Extension: Chess Lessons

Hello Year 5,

We have some **very exciting chess news** !

Chess in Schools, (who teach Year 4), have managed to get each Year 5 child a **free gold level access to the ChessKid website until 20th July**.

Chris (Year 6 teacher) has been using it and says it is FANTASTIC !

The [**ChessKid for Parents and Carers leaflet**](#) tells your parents all they need to know about ChessKid. It is also available on the school website. Click on the link to show it to your parents.

[**Click here**](#) and we will show you how it works and how you can sign up for a ChessKid Smithy Street account.
