# Reading: Get Epic

- Go to <https://www.getepic.com/app/> and sign in with your username and password.

Note: you can only use Get Epic during school hours (9 am - 4 pm)

Free choice: choose a text to read that interests you. If in previous weeks you've chosen a fiction (story) book, try a non-fiction book? Or, try a fiction book of a genre you don't normally choose!

- 1) What is the title of the text?
- 2) Summarise in 3 sentences what you read about

Time yourself for about 30 minutes on this activity.

## [Online Library](#)

Use [this link](#) to access an online library where you can 'borrow' books to read at home.

You will need to use your actual library card - from the Ideas Store perhaps to access their books.

This [help page](#) gives you more information.

## Writing: Building Cohesion

- Open the [Building Cohesion Worksheet](#)
- Read through the passage and highlight or think where adverbs and conjunctions have been used to build cohesion
- Complete the task in your writing book, use the text to find examples that will help you!

### Cohesion: Conjunctions and Adverbs

#### Protest and Persuasion

Junk food adverts are bad *because* they encourage unhealthy eating.

*When* people see lots of these adverts, they are more likely to eat fast food.

Campaigners want adverts banned. *However*, some people say that advertising is harmless.

A balanced diet is important. *Therefore*, a little fast food is fine.

Write the date and title in your book. All you need is a pencil to be able to complete these art activities.

- Practice the art skills in your book at the top of the page first.
- Then draw underneath.

# Exercise

With everyone being told to stay indoors, it's important you still do some exercise! You would usually walk to school, run around at break time, run around at lunchtime, have PE and/or swimming and walk home again!

# Extension: Oak National Academy

The Oak National Academy is a website the government has created to provide extra 'lessons' for children to complete whilst at home. Each day there will be an English, maths and foundation (geography, history, science) lesson. This weeks timetable is in green below.

**We would still like you to complete the work we set first, in the rest of these slides, then if you want to do an extension, have a look at the [Oak National Academy website](#).**

If you want to use Oak National Academy, the lessons are sequential. This means you should start at lesson 1, then go to lesson 2, etc. If you miss a day, make sure you go back to the lesson you missed.

Year 5	English	<ul style="list-style-type: none"><li>• Genre Focus: Setting Description</li></ul>
	Maths	<ul style="list-style-type: none"><li>• Transformations</li><li>• Converting</li><li>• Volume</li><li>• Calculating with decimals</li><li>• 2-D and 3-D shape</li></ul>

If you want to complete the work from Oak National Academy, record it in your writing or maths book we gave you from school.

Set it out like the lessons we give you:

Tuesday 21st April

Maths: Transformations

# Extension: BBC Bitesize Daily

Similar to the Oak National Academy you can now access regular daily lessons from BBC Bitesize in English, maths and other core subjects, on the BBC Bitesize website and also in special programmes broadcast on BBC iPlayer and BBC Red Button.

We are going to continue setting you daily work similar to how it has looked over the past couple of weeks but might use some of the BBC Bitesize material/videos too. **We would like you to complete the work we set first.** However, if you want to do some extra work, you could look on this site for some ideas! It might also be useful for your older or younger siblings...
