12-year-old Josh and his twin Jordan have basketball in their blood. They're kings of the court, star players for their school team. Their father used to be a champion player and they each want nothing more than to follow in his footsteps.

Both on and off the court, there is conflict and hardship which will test Josh's bond with his brother. In this heartfelt novel in verse, the boys find that life doesn't come with a play-book and it's not all about winning. Read the first chapter [here](#).

Writing to entertain - how to keep your reader engaged.

Subordinate Clauses

Subordinate clauses can be used to add more detail or vital information. Try varying their location within a sentence.

As it was nearly time to leave Earth for good, Billy decided that now was the moment to say goodbye.

Adverbials

Use adverbials to engage your reader with the text and to give them extra important information.

Between the tall trees, Kacey noticed a strange figure.

Scared and alone, the boy trudged through the undergrowth.

Carefully Chosen Adjectives

Use powerful adjectives which match the genre of your text.

The **tall, gnarled** oak trees provided relief from the **relentless** downpour.

Parenthesis

Use parenthesis to add in extra information. Parenthesis can be punctuated using commas, dashes or brackets.

Captain Flake – **a disappointingly mediocre hero** – attempted to douse the flames using a small, pink teapot.

Creative Writing

Haiku

**Radiant feathers,
Colourful as a rainbow.
What a splendid sight!**

A Haiku is a traditional Japanese poem which consists of three lines. The first and last lines have five syllables and the second has seven. The lines do not have to rhyme.

Choose an animal and write a haiku about it.

Spanish

Hola ! We have finished our French lessons for this year so let's have a look at Spanish, a language spoken by more than 437 million people around the world.

Lesson 1

A yellow graphic with a sunburst background. At the top, there are icons for a treble clef, two musical notes, an acoustic guitar, and a soccer ball. In the center, the text reads "Talking about what you like to do in Spanish". At the bottom, there is a play button icon, a laptop, a bucket of popcorn, and a white box containing the text "Watch 1 min".

Extension

The government has created the Oak National Academy to provide extra 'lessons' for children while you are at home. Each day there are maths, English and foundation lessons. The lessons are sequential, so it is important that you do them in order.

We want you to first complete the work that we have set you. If you decide you would like an extension, then click on the link below to access their lessons.
