Good Morning Year 1

Here are your activities for today

**P.E.:** <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

**Reading:** <https://www.getepic.com/app/read/29239> This is Exciting!

**Phonics:** Today you will be learning the alternative spelling for the **or** sound. <https://www.youtube.com/watch?v=dOHDkQGhku4&t=35s> Write down as many words with the **au** spelling. Write 3 sentences using these words.

**English:** <https://www.bbc.co.uk/bitesize/articles/zhr7mfr> Using capital letters and full stops when writing postcards.

### **Activity: Let's write a postcard**

**Imagine you've been Antarctica too** (Exploring Antarctica, Watch the short video below about Antarctica).

Watch the video). Write a postcard explaining what it was like there.

- Decide who you're writing the postcard to. It could be someone in your family, a friend or even your school teacher.
- Make sure all your sentences include a capital letter at the start and the correct punctuation at the end.
- Try to include some statements in there too (you can use the ones from activity two if needed).
- Remember to finish your postcard with an ending like 'lots of love' or 'from'.

### **Mathematics: Adding and Subtracting 10 Word Problems**

1. I took some apples to my Gran's house at the weekend. I had 16 to start with and Mum gave me 10 more to take. How many did I have?
2. When I am 10 years older I will be 17. How old am I now?
3. Nahida put 6 of the children's pictures up on the wall and then Shelly gave another 10 to put up, and then Parvin gave another 10. How many were then up altogether?
4. If 32 people were on a bus and 10 got off, how many were left on the bus?

5. Jim saved up 63p one week and 10p the following week. How much did Jim save altogether?
6. Rosina saved up 99p but then spent 10p. How much did she have left?
7. Nahida wrote 10 words on a line and then wrote 10 words on two more lines. How many words did she write altogether?
8. Sayed has 15 toy cars and his sister takes 10 of them. How many cars has Sayed got left?
9. There are 32 children in the class and 10 are off sick. How many are at school?
10. In a kennel (where dogs live) there are 24 puppies altogether and 10 are sold one day and another 10 the next day – how many are left?
