Maths

Play this sequencing game - choose a level up to 10. You can make it as easy or difficult as you like. Remember to challenge yourself though!

<https://mathsframe.co.uk/en/resources/resource/42/sequences>

Is the sequence going up or down? Is it getting bigger (addition) or smaller (subtraction)?

How much is being added/taken away each time?

$+40$ $+40$ $+40$

360 400 440 480 520 560 ?

$560 + 40 = 600$

Which number is behind the green circle?

600 640 680 720 580 660

Complete these sequences. Choose which challenges to do.

45 50 55 _____

23 25 27 29 _____

35 31 27 _____

55 65 75 _____

500 _____ 800 900 _____ 1100 _____

110 105 100 _____

44 40 36 _____

23 27 _____ 35 _____

250 220 190 _____

50 100 150 200 _____

445 440 435 430 _____

5 _____ 9 _____ 15 _____

67 62 57 _____

21 30 39 _____

55 105 155 _____

What is different about these sequences?

50 60 65 75 80 90 95 _____

36 33 32 29 28 25 24 _____

How did you work them out?

Make up two of your own for a family member to solve.

English

Read through my final paragraph. Follow the list below and improve it.

we moved house and this meant I had to join a new school. I learnt to ride a bike It took her hours of practise. We moved again in august and the very best thing about it was the new garden! Sally and I now had somewhere to ride our bikes. I broke my arm riding a skateboard.

1. Look for capital letters and punctuation (.!?,) Remember capital letters aren't just for the start of sentences
2. Is it written in the past tense?
3. Is it written in the first person? (I / me)
4. Does it give exact dates, names and locations?

Now read through my edited version and compare it to my first draft. I corrected any mistakes and added in some more detail. I also made sure to give specific dates.

When I was six years old, we moved house. This meant I had to join a new school. It was very nerve wracking. However this was also the year I learnt to ride a bike! It took me hours of practise but I persevered (with the help of my dad!). We moved again in August 2010 and the very best thing about it was the new garden! Sally and I now had somewhere to ride our bikes. Three years later, I broke my arm speeding down the garden path on a skateboard. It's 2020 now and we still live in that house.

Using the checklist from the previous slide and this checklist, have a go at editing and improving your autobiography.

Have I...

...used an interesting opening statement or introduction?	
...written in the first person (I/me)?	
...written in chronological order with time connectives?	
...written in the past tense?	
...referred to named individuals and places?	
...used dates for specific events?	
...included early memories and influences?	

Buddhist Prayer

For this weeks lesson please look at the website below to find out more about the Buddhist faith. Pay particularly close attention to the area on worship.

[http://www.primaryhomeworkhelp.co.uk/religion/buddhism.](http://www.primaryhomeworkhelp.co.uk/religion/buddhism)

Today you will be creating your very own Tibetan prayer flags.

Tibetan prayer flags are used by Tibetan Buddhists. They are used to share prayers and mantras which are then carried on the wind. You can find out more using the link below. Follow the activity at the bottom of the page to create your very own prayer flags. Don't worry if you don't have all the resources you need-just try your best! <http://www.bodhikids.org/prayer-flag-activity/>
