At the moment when more people are working from home they will be using more technology and therefore more energy.

Make a poster encouraging others to save energy when using technology.

The screenshot shows a blue-bordered activity card. On the left is a small icon of a globe with a recycling symbol. To the right of the icon, the text reads: '2do: Conserving Resources-Poster', 'Create a poster to encourage others to save precious resources such as energy when using technology.', and '(Assigned to everyone in classes: 4Ellie,4Shah. Hello Year 4,

We have some **very exciting chess news** !

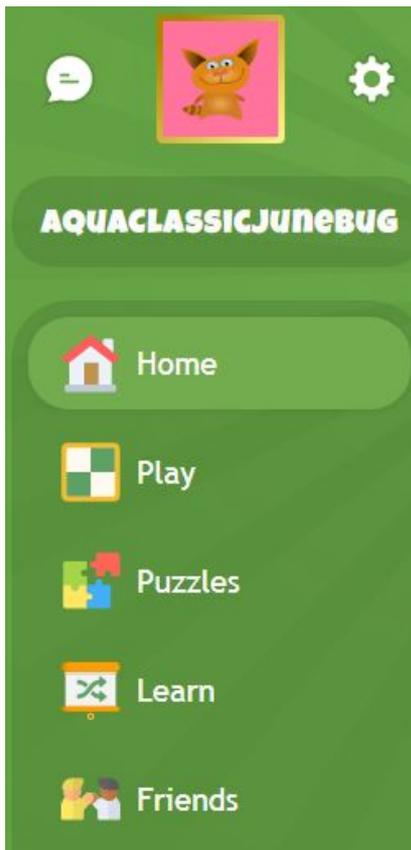

Chess in Schools, (who Andrew works for), have managed to get each of you a **free gold level access to the ChessKid website** until **20th July**.

Chris has been using it and says it is FANTASTIC !

The [**ChessKid for Parents and Carers leaflet**](#) tells your parents all they need to know about ChessKid. Click the link and show it to you parents.

The next few slides will show you how it works and how you can sign up for a ChessKid Smithy Street.

What can I do on ChessKid ?

These are your settings..The speech bubble is where you may get a message from Chess in Schools or ChessKid.

This is your user name. It is created when you sign up. Make sure you write it down. **Do not change your user name.**

Play chess matches against the ChessKid computer or your friends.

Play chess puzzles against the ChessKid computer or other children.

Lots of lessons that teach you how to play chess. There are many more lessons to improve your chess skills if you can already play. More details on the next slide.

Send a friend request to other Smithy Street children. When this is set up you will be able to play matches against each other in ChessKid.

Lessons

Each lesson has a teaching video followed by exercises for you to complete. If you are a beginner, start at the first lesson. If you can already play, scroll down the list and choose where you think is best to start for you. The lessons become more challenging as you work through them.

Videos

Here you can find videos to teach you all aspects of chess for example: openings, endgames, tactics and strategy.

The screenshot shows a green-themed interface for a chess learning application. At the top, it displays 'Your Level: PAWN 3' with a chess pawn icon and a progress bar at 0%. To the right, it says 'Next Lesson: Meet the Queen!' with an orange 'START' button. Below this are four menu items: 'Lessons' (with a book icon and the text 'Take interactive chess lessons'), 'VIDEOS' (with a clapperboard icon and the text 'Learn from the best!'), 'VISION' (with an eye icon and the text 'How's your board vision?'), and 'WORKOUTS' (with a brain icon and the text 'Play set positions').

Workouts

Get better at chess by practicing these key positions over and over! Sometimes the goal is to win, sometimes to draw. If you get it right three times in a row, you've probably mastered it!

How do I sign up for chess kid ?

Click on this link and follow the instructions to set up your own personal Smithy Street account.

<https://www.chesskid.com/register/kid/group/GC5FSG>

YOUR PARENTS NEED TO ENTER THEIR E-MAIL ADDRESS DURING THE SIGN-UP. IF THEY DON'T DO THIS YOU WON'T BE ABLE TO CREATE YOUR OWN ACCOUNT.

Your parents will also receive an email from ChessKid inviting them to set up their own account. If they do this, they will be able to recover your username and password if you forget it. They can also learn to play chess- just like you !

MAKE SURE YOU WRITE DOWN YOUR USERNAME AND PASSWORD AND KEEP IT SAFE.

Remember, your account will only work until **20th July. After this date it will be inactivated.**

Make the most of it !

Website or app ?

P.S. You can access ChessKid through their website or by downloading their app. **It is better to use their website** as the app does not have everything on it.
